**NOW, THEREFORE, BE IT RESOLVED** by the Board of Supervisors of the Lakewood Park Community Development District (the “Board”), as follows:

**Section 1. Negotiated Limited Offering of 2021 Bonds.** The District hereby finds that because of the complex nature of assessment bond financings in order to better time the sale of the 2021 Bonds and secure better interest rates, it is necessary and in the best interest of the District that the 2021 Bonds, in the aggregate principal amount of not exceeding \$4,200,000, be sold on a negotiated limited offering basis. The District hereby further finds that it will not be adversely affected if the 2021 Bonds are not sold pursuant to competitive sales.

**Section 2. Purpose.** The District has authorized its capital improvement plan for the development of the District, as set forth in the Engineer’s Report, and hereby authorizes the financing of all or a portion of the acquisition and construction of certain public infrastructure benefiting the assessable lands within Assessment Area One within the District by issuing the 2021 Bonds to finance all or a portion of such public infrastructure described in the Engineer’s Report and constituting the Assessment Area One Project. The Assessment Area One Project includes, but is not limited to, public roadway improvements, stormwater drainage facilities including related earthwork, reclaimed water facilities, water and sewer facilities, public parks, landscaping, hardscaping and irrigation in public rights of way, the differential cost of undergrounding electric utilities, all as more particularly described in the Engineer’s Report.

**Section 3. Sale of the 2021 Bonds.** Except as otherwise provided in the last sentence of this Section 3, the proposal submitted by the Underwriter offering to purchase the 2021 Bonds at the purchase price established pursuant to the parameters set forth below and on the terms and conditions set forth in the Bond Purchase Contract (attached hereto as Exhibit A), are hereby approved and adopted by the District in substantially the form presented. Subject to the last sentence of this Section 3, the Chairperson (or, in the absence of the Chairperson, any other member of the Board) is hereby authorized to execute and deliver on behalf of the District, and the Secretary of the District is hereby authorized (if so required) to affix the seal of the District and attest to the execution of the Bond Purchase Contract in substantially the form presented at this meeting. The disclosure statements of the Underwriter, as required by Section 218.385, Florida Statutes, to be delivered to the District prior to the execution of the Bond Purchase Contract, a copy of which is attached as an exhibit to the Bond Purchase Contract, will be entered into the official records of the District. The Bond Purchase Contract, in final form as determined by counsel to the District and the Chairperson, may be executed by the District without further action

provided that (i) the 2021 Bonds mature not later than the statutory permitted period; (ii) the principal amount of the 2021 Bonds issued does not exceed \$4,200,000; (iii) the arbitrage yield on the 2021 Bonds shall not exceed 4.50%; (iv) if the 2021 Bonds are subject to optional redemption which determination will be made on or before the sale date of the 2021 Bonds, the first optional call date and the redemption price shall be determined on or before the execution of the Bond Purchase Contract; and (v) the purchase price to be paid by the Underwriter for the 2021 Bonds is not less than 98% of the par amount of the 2021 Bonds issued (exclusive of any original issuance discount).

**Section 4. The Limited Offering Memorandum.** The Limited Offering Memorandum, in substantially the form of the Preliminary Limited Offering Memorandum (subject to the other conditions set forth herein) attached hereto as Exhibit B, with such changes as are necessary to conform to the details of the 2021 Bonds and the requirements of the Bond Purchase Contract, is hereby approved. The District hereby authorizes the execution of the Limited Offering Memorandum and the District hereby authorizes the Limited Offering Memorandum, when in final form, to be used in connection with the limited offering and sale of the 2021 Bonds. The District hereby authorizes and consents to the use by the Underwriter of a Preliminary Limited Offering Memorandum substantially in the form attached hereto as Exhibit B, in connection with the limited offering of the 2021 Bonds. The final form of a Preliminary Limited Offering Memorandum shall be determined by the Underwriter and the professional staff of the District. The Limited Offering Memorandum may be modified in a manner not inconsistent with the substance thereof and the terms of the 2021 Bonds as shall be deemed advisable by Bond Counsel and counsel to the District, with final approval by the Chairperson. The Chairperson (or, in the absence of the Chairperson, any other member of the Board) is hereby further authorized to execute and deliver on behalf of the District, the Limited Offering Memorandum and any amendment or supplement thereto, with such changes, modifications and deletions as the member of the Board executing the same may deem necessary and appropriate with the advice of Bond Counsel and counsel to the District, with final approval by the Chairperson, such execution and delivery to be conclusive evidence of the approval and authorization thereof by the District. The District hereby authorizes the Chairperson (or, in the absence of the Chairperson, any other member of the Board) to deem “final” the Preliminary Limited Offering Memorandum except for permitted omissions all within the meaning of Rule 15c2-12 of the Securities Exchange Act of 1934 and to execute a certificate in that regard.

**Section 5. Details of the 2021 Bonds.** The proceeds of the 2021 Bonds shall be applied in accordance with the provisions of the 2021 Indenture. The 2021 Bonds shall mature in the years and in the amounts, bear interest at such rates and be subject to redemption, all as provided in the First Supplemental. The execution of the First Supplemental shall constitute approval of such terms as set forth in the 2021 Indenture and this Resolution. The maximum aggregate principal amount of the 2021 Bonds authorized to be issued pursuant to this Resolution and the 2021 Indenture shall not exceed \$4,200,000.

**Section 6. Continuing Disclosure; Dissemination Agent.** The Board does hereby authorize and approve the execution and delivery of a Continuing Disclosure Agreement by the Chairperson (or, in the absence of the Chairperson, any other member of the Board) substantially in the form presented to this meeting and attached hereto as Exhibit C. The Continuing Disclosure Agreement is being executed by the District and the other parties thereto in order to assist the

Underwriter in the marketing of the 2021 Bonds and compliance with Rule 15c2-12 of the Securities and Exchange Commission. Wrathell, Hunt & Associates, LLC is hereby appointed the initial dissemination agent.

**Section 7. Authorization of Execution and Delivery of the First Supplemental Trust Indenture; Application of Master Indenture.** The District does hereby authorize and approve the execution by the Chairperson (or, in the absence of the Chairperson, the Vice Chairperson or any other member of the Board) and the Secretary or any Assistant Secretary to attest and authorize the delivery of the previously approved Master Indenture and First Supplemental, both between the District and the Trustee. The 2021 Indenture shall provide for the security of the 2021 Bonds and express the terms of the 2021 Bonds. The First Supplemental shall be substantially in the form attached hereto as Exhibit D and is hereby approved, with such changes therein as are necessary or desirable to reflect the terms of the sale of the 2021 Bonds as shall be approved by the Chairperson (or, in the absence of the Chairperson, the Vice Chairperson, or any other member of the Board) executing the same upon the advice of Bond Counsel and counsel to the District, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of the First Supplemental attached hereto as Exhibit D.

**Section 8. Authorization and Ratification of Prior Acts.** All actions previously taken by or on behalf of District in connection with the issuance of the 2021 Bonds are hereby authorized, ratified and confirmed.

**Section 9. Appointment of Underwriter.** The Board hereby formally appoints FMSbonds, Inc., as the Underwriter for the 2021 Bonds.

**Section 10. Book-Entry Only Registration System.** The registration of the 2021 Bonds shall initially be by the book-entry only system established with The Depository Trust Company.

**Section 11. Assessment Methodology Report.** The Board hereby authorizes any modifications to the Assessment Methodology Report prepared by Wrathell, Hunt & Associates, LLC in connection with the 2021 Bonds if such modifications are determined to be appropriate in connection with the issuance of the 2021 Bonds.

**Section 12. Engineer's Report.** The Board hereby authorizes any modifications to the Engineer's Report prepared by Madden, Moorehead & Stokes, LLC in connection with the 2021 Bonds if such modifications are determined to be appropriate in connection with the issuance of the 2021 Bonds or modifications to the Assessment Area One Project.

**Section 13. Further Official Action.** The Chairperson, the Vice Chairperson, the Secretary and each other member of the Board and any other proper official or member of the professional staff of the District are each hereby authorized and directed to execute and deliver any and all documents and instruments and to do and cause to be done any and all acts and things necessary or desirable for carrying out the transactions contemplated by this Resolution. In the event that the Chairperson, the Vice Chairperson or the Secretary is unable to execute and deliver the documents herein contemplated, such documents shall be executed and delivered by the

respective designee of such officer or official or any other duly authorized officer or official of the District herein authorized. The Secretary or any Assistant Secretary is hereby authorized and directed to apply and attest the official seal of the District to any agreement or instrument authorized or approved herein that requires such a seal and attestation.

**Section 14. Severability.** If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this Resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

\_\_\_\_\_, 2021

Board of Supervisors  
Lakewood Park Community Development District  
City of Deland, Florida

Dear Board Members:

FMSbonds, Inc. (the "Underwriter") offers to enter into this Bond Purchase Contract (the "Purchase Contract") with the Lakewood Park Community Development District (the "District"). The District is located entirely within incorporated City of Deland, Florida (the "City"). This offer of the Underwriter shall, unless accepted by the District, acting through its Board of Supervisors (the "Board"), expire at [5:00 p.m.] prevailing time within the jurisdiction of the District on the date hereof, unless previously withdrawn or extended in writing by the Underwriter. This Purchase Contract shall be binding upon the District and the Underwriter upon their execution and delivery. Any capitalized word not defined herein shall have the meaning ascribed thereto in the Preliminary Limited Offering Memorandum (as hereinafter defined). In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statements attached hereto as Exhibit A.

**1. Purchase and Sale.** Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District, and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of the District's \$\_\_\_\_\_ Lakewood Park Community Development District Special Assessment Bonds, Series 2021 (Assessment Area One) (the "Series 2021 Bonds"). The Series 2021 Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto.

The purchase price for the Series 2021 Bonds shall be \$\_\_\_\_\_ (representing the \$\_\_\_\_\_ aggregate principal amount of the Series 2021 Bonds, [plus/less net original issue premium/discount of \$\_\_\_\_\_ and] less an underwriter's discount of \$\_\_\_\_\_). Payment of the purchase price and delivery of the Series 2021 Bonds and the other actions contemplated hereby to take place at the time of such payment and delivery are hereinafter referred to as the "Closing."

**2. The Series 2021 Bonds.** The Series 2021 Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the "State") created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other applicable provisions of law (collectively, the "Act"), and by Ordinance No. 2020-25, enacted by the City Commission of the City on October 19, 2020 (the "Ordinance"). The Series 2021 Bonds are being issued pursuant to the Act and secured pursuant to the provisions of a Master Trust Indenture dated as of \_\_\_\_\_ 1, 2021 (the "Master Indenture"), as

supplemented by a First Supplemental Trust Indenture dated as of \_\_\_\_\_ 1, 2021 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indentures"), each by and between the District and U.S. Bank National Association, as trustee (the "Trustee"), and by Resolution No. 2021-28 and Resolution No. 2021-36 adopted by the Board on October 28, 2020 and February 15, 2021, respectively (collectively, the "Bond Resolution"). The Series 2021 Special Assessments, comprising a portion of the Series 2021 Pledged Revenues for the Series 2021 Bonds, have been levied by the District on those lands within the District specially benefited by the Assessment Area One Project pursuant to the Assessment Resolutions (as such term is defined in the Indentures).

**3. Limited Offering; Establishment of Issue Price.** It shall be a condition to the District's obligation to sell and to deliver the Series 2021 Bonds to the Underwriter, and to the Underwriter's obligation to purchase, accept delivery of and pay for the Series 2021 Bonds, that the entire principal amount of the Series 2021 Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Series 2021 Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, in a form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2021 Bonds.

(b) Except as otherwise indicated in Exhibit B, the District will treat the first price at which 10% of each maturity of the Series 2021 Bonds (the "10% test") is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which the Underwriter has sold to the public each maturity of Series 2021 Bonds. If at that time the 10% test has not been satisfied as to any maturity, the Underwriter agrees to promptly report to the District the prices at which the Series 2021 Bonds of that maturity have been sold by the Underwriter to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Series 2021 Bonds of that maturity or until all Series 2021 Bonds of that maturity have been sold to the public provided that, the Underwriter's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Issuer or bond counsel. For purposes of this Section, if Series 2021 Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Series 2021 Bonds.

(c) The Underwriter confirms that it has offered the Series 2021 Bonds to accredited investors constituting the public on or before the date of this Purchase Contract at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit B attached hereto, except as otherwise set forth therein. Exhibit B also sets forth, as of the date of this Purchase Contract, the maturities of the Series 2021 Bonds for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Series 2021 Bonds, the Underwriter will neither offer nor sell unsold Series 2021 Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the Underwriter has sold at least 10% of that maturity of the Series 2021 Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the District promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Series 2021 Bonds to the public at a price that is no higher than the initial offering price to the public.

(d) The Underwriter confirms that:

(i) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Series 2021 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A) (i) to report the prices at which it sells to the public the unsold Series 2021 Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Series 2021 Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Series 2021 Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter,

(B) to promptly notify the Underwriter of any sales of Series 2021 Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Series 2021 Bonds to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(ii) any selling group agreement relating to the initial sale of the Series 2021 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Series 2021 Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Series 2021 Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Series 2021 Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Series 2021 Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

(e) The District acknowledges that, in making the representations set forth in this section, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Series 2021 Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Series 2021 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2021 Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Series 2021 Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Series 2021 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2021 Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The District further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Series 2021 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2021 Bonds.

(f) The Underwriter acknowledges that sales of any Series 2021 Bond to any person that is a related party to an Underwriter participating in the initial sale of the Series 2021 Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) "public" means any person other than an underwriter or a related party,

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the District (or with the Underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2021 Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series 2021 Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Series 2021 Bonds to the public),

(iii) a purchaser of any of the Series 2021 Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) "sale date" means the date of execution of this Purchase Contract by all parties.

**4. Use of Documents.** Prior to the date hereof, the District has caused to be prepared and has provided to the Underwriter a Preliminary Limited Offering Memorandum dated \_\_\_\_\_, 2021 (such Preliminary Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect

to the Series 2021 Bonds, being herein collectively called the "Preliminary Limited Offering Memorandum") of the District related to the Series 2021 Bonds that the District has deemed final as of its date, except for certain permitted omissions (the "Permitted Omissions"), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission ("Rule 15c2-12" or the "Rule") in connection with the limited offering of the Series 2021 Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the Preliminary Limited Offering Memorandum to be circulated and used by the Underwriter in connection with the limited offering of the Series 2021 Bonds. The District shall deliver or cause to be delivered, at its expense, to the Underwriter within seven (7) business days after the date hereof but not later than three (3) days prior to the Closing Date (as defined below) and in sufficient time to allow the Underwriter to comply with all requirements of the Rule and all applicable securities laws and the rules of the Municipal Securities Rulemaking Board (the "MSRB"), a final Limited Offering Memorandum dated \_\_\_\_\_, 2021 (such Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the Series 2021 Bonds being herein collectively called the "Limited Offering Memorandum" and, together with the Preliminary Limited Offering Memorandum, the "Limited Offering Memoranda"). The District hereby ratifies the circulation and use of the Preliminary Limited Offering Memorandum and approves the circulation and use of the Limited Offering Memorandum by the Underwriter.

**5. Ancillary Agreements to which it is a party and the Preliminary Limited Offering Memorandum, including but not limited to entering into the Collection Agreement to provide for the collection of the Series 2021 Special Assessments using the Uniform Method of collection in accordance with the Indentures. (the "Underwriter"), pursuant to a Bond Purchase Contract dated \_\_\_\_\_, 2021 (the "Bond Purchase Contract"), between the Underwriter and Lakewood Park Community Development District (the "District"), furnishes the following disclosures to the District (all capitalized terms used and not otherwise defined herein shall have the meanings assigned to them in the Bond Purchase Contract):

1. The total underwriting discount paid to the Underwriter pursuant to the Bond Purchase Contract for the Series 2021 Bonds is approximately \$\_\_\_ per \$1,000.00 or \$\_\_\_\_\_.
2. The names, addresses and estimated amounts of compensation of any person who is not regularly employed by, or not a partner or officer of, the Underwriter, bank, banker, or financial consultant or advisor and who enters into an understanding with either the District or the Underwriter, or both, for any paid or promised compensation or valuable consideration directly, expressly or impliedly, to act solely as an intermediary between the District and the Underwriter for the purposes of influencing any transaction in the purchase of the Series 2021 Bonds are: None.
3. The nature and estimated amounts of expenses to be incurred by the Underwriter in connection with the issuance of the Series 2021 Bonds are set forth in Schedule I attached hereto.
4. The management fee charged by the Underwriter is: \$0/\$1,000 or \$0.
5. Any other fee, bonus or other compensation estimated to be paid by the Underwriter in connection with the Series 2021 Bonds to any person not regularly employed or retained by the Underwriter in connection with the Series 2021 Bonds is as follows: None. GrayRobinson, P.A. has been retained as counsel to the Underwriter and will be compensated by the District.
6. The name and address of the Underwriter is:

FMSbonds, Inc.

The District is proposing to issue \$\_\_\_\_\_ aggregate amount of the Series 2021 Bonds for the purpose of providing funds for (i) the Costs of acquiring and/or constructing a portion of the Assessment Area One Project, (ii) funding Capitalized Interest through at least November 1, 2022, (iii) the funding of the Series 2021 Reserve Account, and (iv) the payment of the costs of issuance of the Series 2021 Bonds.

The debt evidenced by the Series 2021 Bonds is expected to be repaid over a period of approximately \_\_\_\_\_ (\_\_\_) years and \_\_\_\_\_ (\_\_\_) months. At a net interest cost of approximately \_\_\_\_\_%, total interest paid over the life of the Series 2021 Bonds will be \$\_\_\_\_\_.

The source of repayment for the Series 2021 Bonds are primarily the 2021 Special Assessments imposed and collected by the District. Based solely upon the assumptions set forth in the paragraphs above, the issuance of the Series 2021 Bonds will result in \$\_\_\_\_\_ (representing the average annual debt service payments due on the Series 2021 Bonds) of the Series 2021 Special Assessment revenues not being available to the District on an annual basis to finance other services of the District; provided however, that in the event that the Series 2021 Bonds were not issued, the District would not be entitled to impose and collect the 2021 Special Assessments in the amount of the principal of and interest to be paid on the Series 2021 Bonds.

Re: \$\_\_\_\_\_ Lakewood Park Community Development District Special Assessment Bonds,  
Series 2021 (Assessment Area One) (the "Series 2021 Bonds")

Ladies and Gentlemen:

We have acted as counsel for the Lakewood Park Community Development District, a community development district (the "District") established pursuant to Chapter 190, Florida Statutes (the "Act"), and by ordinance by Ordinance No. 2020-25, enacted by the City Commission of the City on October 19, 2020 (the "Ordinance"), in connection with the issuance by the District of the above-described Series 2021 Bonds.

The Series 2021 Bonds are being issued by the District pursuant to the Act, Resolution No. 2021-28 and Resolution No. 2021-36 adopted by the Board on October 28, 2020 and February 15, 2021, respectively (collectively, the "Bond Resolution"), and a Master Trust Indenture dated as of \_\_\_\_\_ 1, 2021 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture dated as of \_\_\_\_\_ 1, 2021 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indentures"), each by and between the District and U.S. Bank National Association, as trustee (the "Trustee"). The Series 2021 Special Assessments have been levied by the District on the lands known as \_\_\_\_\_ pursuant to Resolution Nos. 2021-\_\_, 2021-\_\_, 2021-\_\_, and \_\_\_\_\_, as may be amended from time to time (the "Assessment Resolutions"). Capitalized terms used and not otherwise defined herein shall have the meaning ascribed to them in the Indenture.

The District adopted Master Special Assessment Methodology Report dated October 28, 2020 (the "Master Special Assessment Allocation Report"), as supplemented by the [Final Supplemental Special Assessment Allocation Report] dated \_\_\_\_\_, 2021 (collectively, the "Assessment Methodology"). The Assessment Methodology sets forth the terms of the Series 2021 Special Assessments securing the Series 2021 Bonds, and adopts a final special assessment roll for the Series 2021 Special Assessments.

In our capacity as counsel to the District, we have examined such documents as we have deemed necessary or appropriate in rendering the opinions set forth below, including, but not limited to (i) the Bond Resolution; (ii) the Assessment Resolutions (which, together with the Bond Resolutions, hereinafter, the "District Resolutions"); (iii) the Indentures; (iv) the Bond Purchase Contract dated \_\_\_\_\_, 2021 (the "Purchase Contract"); (v) the Continuing Disclosure Agreement dated as of \_\_\_\_\_, 2021 (the "Continuing Disclosure Agreement"); (vi) the Completion Agreement dated as of \_\_\_\_\_, 2021 (the "Completion Agreement"); (vii) the Agreement Between the District and the Developer Regarding the True-Up and Payment of Series Assessment Area One Project Assessments dated as of \_\_\_\_\_, 2021 (the "True-Up Agreement"); (viii) the Acquisition Agreement dated as of \_\_\_\_\_, 2021 (the "Acquisition Agreement"); (ix) the Collateral Assignment and Assumption of Development and Contract Rights Relating to the District dated as of \_\_\_\_\_, 2021 (the "Collateral Assignment"), (x) the Declaration of Consent to Jurisdiction of the District and to Impose Special Assessments dated as of \_\_\_\_\_, 2021 (the "Declaration") and (xi) the Preliminary Limited Offering Memorandum dated \_\_\_\_\_, 2021 and the final Limited Offering Memorandum dated \_\_\_\_\_, 2021 (collectively, the "Offering Memoranda"), and such other documents as we have deemed necessary or appropriate in rendering the opinions set forth below. The Indentures, the Purchase Contract, the Continuing Disclosure Agreement, the Completion Agreement, the Acquisition Agreement, the True-Up Agreement, the Collateral Assignment, the Declaration, and the Offering Memoranda shall be referred to herein as the "Financing Documents."

In rendering the following opinion, we have reviewed certified proceedings, resolutions and documents, have relied, with your approval, as to factual matters that affect our opinion, solely on our examination of such documents (and we have assumed that all statements made therein are true, complete and accurate as of the effective date hereof), and have made no verification of the facts asserted to be true and correct therein.

In rendering our opinion, we have assumed in good faith (i) the genuineness of the signatures of all persons executing instruments or documents examined or relied upon by us (except for those of the District); (ii) the authenticity of all documents submitted to us as originals; and (iii) the conformity with the original documents of all documents submitted to us as certified or as photostatic or xerographic copies. In addition, we have relied in good faith upon certificates of public officials as to matters contained therein and upon the certificates of the District as to matters of fact. Any opinion expressed herein as being made "to the best of our knowledge" is based upon our having made due inquiry of the District or our having actual knowledge as a result of our representation of the District in other matters, but not upon our having made an independent investigation. We specifically exclude any opinion as to the applicability or effect of any federal or state laws, rules or regulations relating to taxation (including, but not limited to, the taxation of income).

Based on the foregoing, and on current laws, facts, circumstances, and upon such other information and documents furnished to us and such inquiries as we deem necessary or appropriate, and subject to the qualifications and assumptions set forth in this letter, we are of the opinion that,

1. The District has been established and validly exists as a community development district and independent local unit of special purpose government under applicable Florida law. The Financing Documents and the Series 2021 Bonds have been duly authorized, executed and delivered, and assuming due execution by the other party(s) thereto, if applicable, the Financing Documents and the District Resolutions constitute legal, valid and binding obligations of the District, enforceable in accordance with their respective terms (except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and transfer, and similar law affecting the rights of creditors' generally, and provided that no opinion need be expressed, nor is, as to the availability of equitable remedies). This does not mean that any particular remedy is available or enforceable upon a material default or that every

provision of the referenced documents will be upheld or enforced in any or each circumstance by a court; nevertheless, subject to the bankruptcy and the equitable remedies limitations, such unenforceability will not render the Financing Documents invalid as a whole, or substantially interfere with the practical realization of the principal benefits purported to be provided by the Financing Documents.

2. To the best of our knowledge and based solely upon the District Certificate, the Certificate of the District Manager and our service as Registered Agent for the District, there is no action, suit or proceeding at law or in equity by or before any court or public board or body pending or, to our knowledge, threatened against the District: (a) contesting the existence or powers of the Board or the titles of the respective officers of the Board to their respective offices; (b) seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2021 Bonds, (c) contesting or affecting, specifically as to the District, the validity or enforceability of the Act or any action of the District related to the authorization for the issuance of the Series 2021 Bonds, the District Resolutions, the Financing Documents or application of the proceeds of the Series 2021 Bonds for the purposes set forth in the Offering Memoranda; (d) specifically contesting the exclusion from federal gross income of interest on the Series 2021 Bonds, or (e) contesting the completeness or accuracy of the Offering Memoranda.

3. The District has duly authorized, executed, and delivered the Offering Memoranda.

4. Based upon our participation in the preparation of the Offering Memoranda as District Counsel, nothing has come to our attention which would lead us to believe that the statements contained in the Offering Memoranda under the captions "INTRODUCTION," "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS," "ENFORCEMENT OF ASSESSMENT COLLECTIONS," "THE DISTRICT" (excluding information contained under the sub-caption, "The District Manager and Other Consultants"), "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS," ["THE DEVELOPMENT – Zoning and Permitting,"] "AGREEMENT BY THE STATE," "DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS," CONTINUING DISCLOSURE" (as it relates to the District), "LITIGATION – The District," "VALIDATION" and "AUTHORIZATION AND APPROVAL," contains an untrue statement of a material fact or omits to state any material fact necessary to make the statements, in light of the circumstances under which they were made, not misleading.

5. The District is not, to the best of our knowledge, in any manner material to the issuance of the Series 2021 Bonds, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State or the United States, or, to the best of our knowledge, any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement, or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax laws or with any state "Blue Sky" or other securities laws.

6. The execution and delivery of the Series 2021 Bonds, the Financing Documents, and the adoption of the District Resolutions and compliance with the provisions on the District's part contained therein will not conflict with or constitute a breach of or default under any applicable constitutional provision or law, or to the best of our knowledge, under any administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the District

or under the terms of any such law, regulation or instrument, except as expressly provided by the Series 2021 Bonds and the Indentures. To the best of our knowledge after due inquiry, the District has taken no action which, with the lapse of time or the giving of notice, or both would constitute a material default or event of default by the District under the Series 2021 Bonds or the Financing Documents.

7. To the best of our knowledge, all consents, permits or licenses, and all notices to or filings with governmental authorities necessary for the consummation by the District of the transactions described in the Offering Memoranda and contemplated by the Indenture required to be obtained or made, have been obtained or made or there is no reason to believe they will not be obtained or made when required, provided that no opinion is expressed as to the applicability of or compliance with tax laws, any state "Blue Sky" or other securities laws. Further, except as otherwise described in the Limited Offering Memoranda, (a) I have no knowledge that the Developer has not received all government permits, consents and licenses required in connection with the construction and completion of the development of the Assessment Area One Project, the Capital Improvement Plan and the lands in the District as described in the Limited Offering Memoranda; (b) I have no knowledge of any default of any zoning condition, land use permit or development agreement which would adversely affect the Developer's ability to complete development of the Assessment Area One Project and the Capital Improvement Plan and the lands in the District as described in the Limited Offering Memoranda and all appendices thereto; and (c) I have no knowledge and am not otherwise aware of any reason to believe that any permits, consents and licenses required to complete the development of the lands in the District as described in the Limited Offering Memoranda will not be obtained in due course as required by the Developer.

8. The District has the right and authority under the Act and other state law to adopt the District Resolutions, to issue the Series 2021 Bonds, and to levy the Series 2021 Special Assessments that will secure the Series 2021 Bonds and has duly adopted the District Resolutions.

9. All proceedings undertaken by the District with respect to the Series 2021 Special Assessments were undertaken in accordance with Florida law, and the District has taken all necessary action as of the date hereof to levy and impose the Series 2021 Special Assessments. The Series 2021 Special Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Series 2021 Special Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

10. The District has the full power and authority to own and operate the Assessment Area One Project.

11. All conditions prescribed in the Indentures and the Purchase Contract to be performed by the District as precedent to the issuance of the Series 2021 Bonds have been fulfilled.

We do not express any opinion herein concerning any laws other than the laws of the State of Florida and the federal laws of the United States of America. To the extent that the opinions expressed herein relate to or are dependent upon the determination that the interest on the Series 2021 Bonds is excluded from gross income of the owners of the Series 2021 Bonds for federal income tax purposes, we understand that you are relying upon the opinions of Greenberg Traurig, P.A. delivered on the date hereof, and no opinion is expressed herein as to such matters.

This opinion is rendered solely in connection with the transaction to which this opinion relates, as contemplated by the Indentures. This opinion may be relied upon by you only in connection with this transaction and may not be relied upon by any other person or entity (regardless of whether such other person or entity is related or affiliated with you), nor used for any other purpose or published in whole or part, in each instance, without, in each instance, our prior written consent.

Sincerely,

COBB COLE

Re:     \$\_\_\_\_\_ Lakewood Park Community Development District Special Assessment  
       Bonds, Series 2021 (Assessment Area One) (the "Bonds")

Ladies and Gentlemen:

I am counsel to Lakewood Park Project I, LLC, a Florida limited liability company (the "Developer"), which is the owner of certain land within the master planned community located in the City of Deland, Volusia County, Florida and commonly referred to as "Lakewood Park," as such lands are described in the Limited Offering Memoranda (as hereinafter defined). This opinion is rendered at the request of the Developer in connection with the issuance by the Lakewood Park Community Development District (the "District") of the Bonds as described in the District's Preliminary Limited Offering Memorandum dated \_\_\_\_\_, 2021 and the District's final Limited Offering Memorandum, dated \_\_\_\_\_, 2021, including the appendices attached thereto (collectively, the "Limiting Offering Memoranda"). Capitalized terms not defined herein shall have the meaning set forth in the Limited Offering Memoranda. It is my understanding that the Bonds are being issued to provide funds to finance (i) for the payment of the Costs of acquiring or constructing a portion of the Assessment Area One Project (as hereinafter defined), (ii) to fund capitalized interest through at least November 1, 2022, (iii) to fund the Series 2021 Reserve Account in an amount equal to the Reserve Requirement (as hereinafter defined), and (iii) to pay the costs of issuance of the Bonds.

In my capacity as counsel to the Developer, I have examined originals or copies identified to my satisfaction as being true copies of the Limiting Offering Memoranda, the Completion Agreement by and between the District and the Developer dated as of the Closing Date, the Acquisition Agreement by and between the District and the Developer dated as of the Closing Date, the Collateral Assignment and Assumption of Development and Contract Rights Relating to the District by and between the District and the Developer dated as of the Closing Date in recordable form, and the Agreement Between the District and the Developer Regarding the True-Up and Payment of Series Assessment Area One Project Assessments dated as of the Closing Date and in recordable form, the Declaration of Consent to Jurisdiction of the Lakewood Park Community Development District and to Imposition of Special Assessments by the Developer dated \_\_\_\_\_, 2021, the Certificate of Developer dated \_\_\_\_\_, 2021, the Continuing Disclosure Agreement, dated \_\_\_\_\_, 2021, by and among the District and the Developer and the Dissemination Agent named therein (collectively, the "Documents") and have made such examination of law as I have deemed necessary or appropriate in rendering this opinion. In connection

with the forgoing, I also have reviewed and examined the Articles of Organization and Operating Agreement of the Developer as well as a certificate of good standing for the Developer issued by the State of Florida on \_\_\_\_\_, 2021 (collectively, the "Organizational Documents").

In rendering this opinion, I have assumed, without having made any independent investigation of the facts, the genuineness of all signatures (other than those of the Developer and its affiliates) and the authenticity of all documents submitted to me as originals and the conformity to original documents of all documents submitted to me as certified, conformed or photostatic copies, and the legal capacity of all natural persons.

In basing the opinions set forth in this opinion on "my knowledge," the words "my knowledge" signify that, in the course of my representation of the Developer, no facts have come to my attention that would give me actual knowledge or actual notice that any such opinions or other matters are not accurate. Except as otherwise stated in this opinion, I have undertaken no investigation or verification of such matters.

Based on the forgoing, I am of the opinion that:

1. The Developer is a limited liability company organized and existing under the laws of the State of Florida.

2. The Developer has the power to conduct its businesses and to undertake the development of the lands in the District as described in the Limited Offering Memoranda and to enter into the Documents.

3. The Documents have been duly authorized, executed and delivered by the Developer and is in full force and effect. Assuming the due authorization, execution and delivery of such instruments by the other parties thereto and their authority to perform such instruments, the Documents constitute legal, valid and binding obligations of the Developer, enforceable in accordance with their respective terms.

4. Nothing has come to my attention that would lead me to believe the information contained in the Limited Offering Memoranda under the captions "THE DEVELOPMENT," "THE DEVELOPER," "LITIGATION – The Developer" and "CONTINUING DISCLOSURE" (as it relates to the Developer only) does not accurately and fairly present the information purported to be shown or contains any untrue statement of a material fact nor omits to state any material fact necessary to make the statement made therein, in light of the circumstances under which they were made, not misleading as of the respective dates of the Limited Offering Memoranda or as of the date hereof.

5. The execution, delivery and performance of the Documents by the Developer does not violate (i) the operating agreement of the Developer, (ii) to my knowledge, any agreement, instrument or Federal or Florida law, rule or regulation known to me to which the Developer is a party or by which any of its assets are or may be bound; or (iii) to my knowledge, any judgment, decree or order of any administrative tribunal, which judgment, decree, or order is binding on the Developer or its assets.

6. Nothing has come to my attention that would lead me to believe that the Developer is not in compliance in all material respects with all provisions of applicable law in all material matters relating to such entity as described in the Limited Offering Memoranda.

7. To the best of my knowledge after due inquiry, the levy of the Series 2021 Special Assessments on the applicable lands within the District will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument to which the Developer is a party or to which the Developer or any of its property or assets is subject.

8. To the best of my knowledge after due inquiry, there is no litigation pending which would prevent or prohibit the development of either the Assessment Area One Project, the Capital Improvement Plan or the lands in the District in accordance with the descriptions thereof in the Limited Offering Memoranda and the Engineer's Report annexed thereto or which may result in any material adverse change in the respective business, properties, assets or financial condition of the Developer.

9. To the best of my knowledge after due inquiry, the Developer has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. To the best of my knowledge after due inquiry, the Developer has not indicated its consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

10. To the best of my knowledge after due inquiry, the Developer is not in default under any mortgage, trust indenture, lease or other instrument to which it or any of their respective assets are subject, which default would have a material adverse effect on the Bonds or the development of either the Assessment Area One Project, the Capital Improvement Plan or the lands in the District.

This opinion is given as of the date hereof, and I disclaim any obligation to update this opinion letter for events occurring after the date of this opinion letter. The foregoing opinion applies only with respect to the laws of the State of Florida and the federal laws of the United States of America and I express no opinion with respect to the laws of any other jurisdiction. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws, as to which no opinion is expressed. This letter is for the benefit of and may be relied upon solely by the addressees and this opinion may not be relied upon in any manner, nor used, by any other persons or entities.

My opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws relating to or affecting creditor's rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases.

Very truly yours,

3. In connection with the issuance of the Series 2021 Bonds, we have been retained by the District to prepare the Master Special Assessment Methodology Report, dated October 28, 2020 (the "Master Special Assessment Allocation Report"), as supplemented by the [Final Supplemental Special Assessment Allocation Report – Special Assessment Bonds, Series 2021 (Assessment Area One) dated \_\_\_\_\_, 2021] (the "Final Supplemental Special Assessment Allocation Report" and together with the Master Special Assessment Allocation Report, the "Assessment Methodology"), which Assessment Methodology has been included as an appendix to the Limited Offering Memoranda. We hereby consent to the use of such Assessment Methodology in the Limited Offering Memoranda and consent to the references to us therein.

4. As District Manager, nothing has come to our attention that would lead us to believe that the statements in the Limited Offering Memoranda, as they relate to the District, the Assessment Area One Project, or any information provided by us, and the Assessment Methodology, as of their respective dates and as of this date, contained or contains any untrue statement of a material fact or omitted or omits to state a material fact necessary to be stated therein in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

THE SERIES 2021 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2021 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFER IN ANY SECONDARY MARKET FOR THE SERIES 2021 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2021 BONDS. SEE "BONDOWNERS' RISKS" AND "SUITABILITY FOR INVESTMENT" HEREIN.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and Ordinance No. 2020-25 enacted by the City Commission of the City of Deland, Florida (the "City") on October 19, 2020. The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined), and has previously determined to undertake in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of certain District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District include approximately 197 gross acres of land (the "District Lands") located in the City of Deland, Florida (the "City") within Volusia County, Florida (the "County"), south of SR 44, west of north Summit Avenue and east of Martin Luther King Boulevard. The District Lands are being developed as a 434 single-family home residential community known as "Lakewood Park" (the "Development"). The Development is expected to be constructed in phases. Phase 1 contains approximately 81.86 acres of land and is planned to contain 187 single-family homes ("Assessment Area One"). Phase 2 and Phase 3 are planned to contain 247 single-family homes and are expected to be constructed and funded in the future. See "THE DEVELOPMENT" herein for more information.

Lakewood Park Project I, LLC, a Florida limited liability company (the "Developer"), is the owner of all of the developable land in the District and is developing the District Lands. See "THE DEVELOPER"

\* Preliminary, subject to change.

herein for more information. The Developer has entered into Builder Contracts (as defined herein) with the Builders (as defined herein) for all 434 lots planned for the Development, including all 187 lots planned for Assessment Area One. See "THE DEVELOPMENT – The Builder Contracts and the Builders" for more information.

[The District will levy the Series 2021 Special Assessments on all of the gross acres in Assessment Area One. As lots are platted, the Series 2021 Special Assessments are expected to be assigned to the 187 lots planned for Phase 1 on a first platted, first assigned basis as set forth in the Assessment Methodology attached hereto.] See "APPENDIX D: ASSESSMENT METHODOLOGY" attached hereto. The Series 2021 Bonds are payable from and secured solely by the Series 2021 Pledged Revenues, which consist primarily of the Series 2021 Special Assessments levied on the assessable lands in the District. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS" herein.

The Series 2021 Bonds are being issued by the District pursuant to the Act, Resolution No. 2021-28 and Resolution No. 2021-36 adopted by the Board of Supervisors of the District (the "Board") on October 28, 2020 and February 15, 2021, respectively (collectively, the "Bond Resolution"), and a Master Trust Indenture dated as of [\_\_\_\_\_] 1, 2021 (the "Master Indenture"), as supplemented, by a First Supplemental Trust Indenture dated as of [\_\_\_\_\_] 1, 2021 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank National Association, a national banking association duly organized and existing under the laws of the United States and authorized to exercise corporate trust powers in the State of Florida, as trustee (the "Trustee"). Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture. See "APPENDIX A: PROPOSED FORMS OF INDENTURES" attached hereto.

Proceeds of the Series 2021 Bonds will be used to provide funds for (i) the Costs of acquiring and/or constructing a portion of the Assessment Area One Project (as herein defined), (ii) funding Capitalized Interest through at least November 1, 2022, (iii) the funding of the Series 2021 Reserve Account, and (iv) the payment of the costs of issuance of the Series 2021 Bonds. See "THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA ONE PROJECT" and "ESTIMATED SOURCES AND USES OF FUNDS" herein.

The Series 2021 Bonds will be secured by a pledge of the Series 2021 Pledged Revenues. "Series 2021 Pledged Revenues" shall mean (a) all revenues received by the District from the Series 2021 Special Assessments levied and collected on the assessable lands within Assessment Area One within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2021 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2021 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the First Supplemental Indenture created and established with respect to or for the benefit of the Series 2021 Bonds; provided, however, that Series 2021 Pledged Revenues shall not include (A) any moneys transferred to the Series 2021 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2021 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS" herein.

There follows in this Limited Offering Memorandum a brief description of the District, the Developer, the Development, Assessment Area One, the Assessment Area One Project and summaries of the terms of the Series 2021 Bonds, certain provisions of the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such

documents and statute, and all references to the Series 2021 Bonds are qualified by reference to the definitive form thereof and the information with respect thereto contained in the Indenture. The proposed forms of the Master Indenture and First Supplemental Indenture appear in APPENDIX A attached hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

## **DESCRIPTION OF THE SERIES 2021 BONDS**

### **General Description**

The Series 2021 Bonds are issuable only as fully registered bonds, without coupons, in the denominations of \$5,000 and any integral multiple thereof except as otherwise provided in the Indenture. The Series 2021 Bonds will mature, subject to the redemption provisions set forth herein, on the dates and in the amounts set forth on the cover page hereof.

The Series 2021 Bonds shall be dated as of the date of initial delivery. Interest on the Series 2021 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. "Interest Payment Date" means May 1 and November 1 of each year, commencing November 1, 2021, each Quarterly Redemption Date and any other date the principal of the Series 2021 Bonds is paid. "Quarterly Redemption Date" shall mean each February 1, May 1, August 1 and November 1. Interest on the Series 2021 Bonds shall be payable from the most recent Interest Payment Date next preceding the date of authentication thereof to which interest has been paid, unless the date of authentication thereof is a May 1 or November 1 to which interest has been paid, in which case from such date of authentication, or unless the date of authentication thereof is prior to November 1, 2021, in which case from the date of initial delivery or unless the date of authentication thereof is between a Record Date and the next succeeding Interest Payment Date, in which case from such Interest Payment Date. Interest on the Series 2021 Bonds will be computed in all cases on the basis of a 360 day year consisting of twelve 30-day months.

Upon initial issuance, the ownership of the Series 2021 Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"), and purchases of beneficial interests in the Series 2021 Bonds will be made in book-entry only form. As long as the Series 2021 Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes under the Indenture. DTC shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants ("DTC Participants") and other institutions that clear through or maintain a custodial relationship with a DTC Participant, either directly or indirectly ("Indirect Participants"). The DTC Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Series 2021 Bonds ("Beneficial Owners"). Principal and interest on the Series 2021 Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to DTC Participants shall be the responsibility of DTC. Payments by DTC Participants to Indirect Participants, and by DTC Participants and Indirect Participants to Beneficial Owners shall be the responsibility of DTC Participants and Indirect Participants and not of DTC, the Trustee or the District. Individuals may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Series 2021 Bonds, through DTC Participants and Indirect Participants. During the period for which Cede & Co. is registered owner of the Series 2021 Bonds, any notices to be provided to any Beneficial Owner will be provided to Cede & Co. DTC shall be responsible for notices to DTC Participants and DTC Participants shall be responsible for notices to Indirect Participants, and DTC Participants and Indirect Participants shall be responsible for notices to Beneficial Owners. In the event DTC, any successor of DTC or the District, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system, the Trustee shall deliver bond certificates in accordance with the

instructions from DTC or its successor and after such time Series 2021 Bonds may be exchanged for an equal aggregate principal amount of Series 2021 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee. See "DESCRIPTION OF THE SERIES 2021 BONDS – Book-Entry Only System" below.

The Series 2021 Bonds initially will be sold only to "accredited investors" within the meaning under Chapter 517, Florida Statutes, as amended, and the rules of the Florida Department of Financial Services promulgated thereunder, although there is no limitation on resales of the Series 2021 Bonds. See "SUITABILITY FOR INVESTMENT" below.

U.S. Bank National Association is initially serving as the Trustee, Registrar and Paying Agent for the Series 2021 Bonds.

## **Redemption Provisions**

### **Optional Redemption**

The Series 2021 Bonds may, at the option of the District, provided written notice hereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days' notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after May 1, 20[\_\_\_] (less than all Series 2021 Bonds of a maturity to be selected randomly), at a Redemption Price equal to the principal amount of Series 2021 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2021 Optional Redemption Subaccount of the Series 2021 Bond Redemption Account.

Upon any redemption of Series 2021 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2021 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2021 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2021 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

**Extraordinary Mandatory Redemption**

The Series 2021 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2021 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2021 Prepayment Principal deposited into the Series 2021 Prepayment Subaccount of the Series 2021 Bond Redemption Account (taking into account the credit from the Series 2021 Reserve Account pursuant to the First Supplemental Indenture) following the Prepayment in whole or in part of the Series 2021 Special Assessments on any assessable property within the District in accordance with the provisions of the First Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2021 Funds, Accounts and subaccounts in the Funds and Accounts (other than the Series 2021 Rebate Fund and the Series 2021 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2021 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) upon the Completion Date, from any funds remaining on deposit in the Series 2021 Acquisition and Construction Account not otherwise reserved to complete a portion of the Assessment Area

One Project and which have been transferred to the Series 2021 General Redemption Subaccount of the Series 2021 Bond Redemption Account.

### **Notice of Redemption and of Purchase**

When required to redeem or purchase Series 2021 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption, either in whole or in part, to be given by Electronic Means or mailed by first-class mail, postage prepaid, at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2021 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5<sup>th</sup>) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2021 Bonds for which notice was duly mailed in accordance with the Indenture.

If at the time of mailing of notice of redemption or purchase, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Series 2021 Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited. If the amount of funds deposited with the Trustee for such redemption, or otherwise available, is insufficient to pay the Redemption Price and accrued interest on the Series 2021 Bonds so called for redemption on the redemption date, the Trustee shall redeem and pay on such date an amount of the Series 2021 Bonds for which funds are sufficient, selecting the Series 2021 Bonds to be redeemed randomly from among all Series 2021 Bonds called for redemption on such date, and among different maturities of Series 2021 Bonds in the same manner as the initial selection of Series 2021 Bonds to be redeemed, and from and after such redemption date, interest on such Series 2021 Bonds or portions thereof so paid shall cease to accrue and become payable; but interest on any Series 2021 Bonds or portions thereof not so paid shall continue to accrue until paid at the same rate as it would have had such Series 2021 Bonds not been called for redemption.

### **Purchase of Series 2021 Bonds**

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2021 Sinking Fund Account to the purchase of the Series 2021 Bonds in accordance with the Indenture, at prices not higher than the principal amount thereof, in lieu of redemption, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given.

### **Book-Entry Only System**

*The information in this caption concerning DTC and DTC's book-entry system has been obtained from DTC and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.*

The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the Series 2021 Bonds. The Series 2021 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2021 Bond certificate will be issued for each maturity of the Series 2021 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of Series 2021 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2021 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2021 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2021 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2021 Bonds, except in the event that use of the book-entry system for the Series 2021 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2021 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2021 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2021 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2021 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2021 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2021 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2021 Bond documents. For example, Beneficial Owners of Series 2021 Bonds may wish to ascertain that the nominee holding the Series 2021 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial

Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2021 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2021 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2021 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2021 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions\*, and interest payments on the Series 2021 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2021 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2021 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository) in accordance with the procedures of DTC. In that event, Series 2021 Bond certificates will be printed and delivered to DTC.

## **SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS**

### **General**

THE SERIES 2021 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY OUT OF THE SERIES 2021 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE OF FLORIDA (THE "STATE"), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2021 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, THE SERIES 2021 SPECIAL ASSESSMENTS TO

---

\* Not applicable to the Series 2021 Bonds.

SECURE AND PAY THE SERIES 2021 BONDS. THE SERIES 2021 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2021 Bonds will be secured by a pledge of the Series 2021 Pledged Revenues. "Series 2021 Pledged Revenues" shall mean (a) all revenues received by the District from the Series 2021 Special Assessments levied and collected on the assessable lands within Assessment Area One within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2021 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2021 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the First Supplemental Indenture created and established with respect to or for the benefit of the Series 2021 Bonds; provided, however, that Series 2021 Pledged Revenues shall not include (A) any moneys transferred to the Series 2021 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2021 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso).

The Series 2021 Special Assessments consist of the non-ad valorem special assessments imposed and levied by the District against the assessable lands within the District specially benefited by the Assessment Area One Project or any portion thereof, pursuant to Section 190.022 of the Act, and the Assessment Resolutions (as defined in the Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the "Assessment Proceedings"). Non-ad valorem assessments are not based on millage and are not taxes, but are a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Series 2021 Special Assessments will constitute a lien against the land as to which the Series 2021 Special Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

In the Master Indenture, the District will covenant that, if any Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Special Assessment when it might have done so, the District shall either (i) take all necessary steps to cause a new Special Assessment to be made for the whole or any part of said improvement or against any property benefited by said improvement, or (ii) in its sole discretion, make up the amount of such Special Assessment from any legally available moneys, which moneys shall be deposited into the Series 2020 Revenue Account. In the case such second Special Assessment shall be annulled, the District shall obtain and make other Special Assessments until a valid Special Assessment shall be made.

#### **Prepayment of Series 2021 Special Assessments**

[Pursuant to the Assessment Proceedings and the Supplemental Indenture, an owner of property subject to the Series 2021 Special Assessments may prepay all (at any time) or a portion (up to two times) of such Series 2021 Special Assessments if there is also paid an amount equal to the interest that would otherwise be due on such prepaid amount on the next succeeding interest payment date for the Series 2021 Bonds, or, if prepaid during the forty-five (45) day period preceding such interest payment date, to the interest payment date following such next succeeding interest payment date.

Pursuant to the Act, an owner of property subject to the levy of Series 2021 Special Assessments may pay the entire balance of the Series 2021 Special Assessments remaining due, without interest, within thirty (30) days after the Assessment Area One Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the Assessment Area One Project pursuant to Chapter 170.09, Florida Statutes. For the property that the Developer owns within the District, the Developer will covenant to waive this right on behalf of itself and its successors and assigns in connection with the issuance of the Series 2021 Bonds. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.]

The Series 2021 Bonds are subject to extraordinary redemption as indicated under "DESCRIPTION OF THE SERIES 2021 BONDS - Redemption Provisions - Extraordinary Mandatory Redemption" from prepayments of Series 2021 Special Assessments by property owners.

### **Additional Obligations**

Other than in connection with the issuance of refunding bonds to be secured by the Series 2021 Special Assessments, under the First Supplemental Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2021 Special Assessments. In addition, the District shall not issue any other Bonds or debt obligations secured by other Special Assessments on the same lands secured by the Series 2021 Special Assessments until the Series 2021 Special Assessments have been Substantially Absorbed. "Substantially Absorbed" shall mean the date at least seventy-five percent (75%) of the principal portion of the Series 2021 Special Assessments and have been assigned to residential units that have received certificates of occupancy. Once the Series 2021 Special Assessments have been Substantially Absorbed, the District may issue Bonds or other debt obligations on assessable lands within Assessment Area One that are subject to the Series 2021 Special Assessments without limit as to the principal amount. Nothing herein shall prohibit the District from issuing additional Bonds or other debt obligations on lands that do not contain Series 2021 Special Assessments. Notwithstanding any of the foregoing, the District shall not be precluded from issuing additional Bonds or other debt obligations secured by Special Assessments or other non-ad valorem assessments on any assessable lands within Assessment Area One in connection with capital projects that are necessary for the health, safety and welfare of its residents or to remediate a natural disaster. The Trustee may rely on a written certificate from the District Manager that the Series 2021 Special Assessments have been Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the Issuer may issue other Bonds or debt obligations secured by Special Assessments on lands within Assessment Area One other than the Series 2021 Special Assessments, at any time upon the written consent of the Majority Holders.

The District and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2021 Special Assessments without the consent of the Owners of the Series 2021 Bonds. The District will impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2021 Special Assessments, on the same lands upon which the Series 2021 Special Assessments are imposed, to fund the maintenance and operation of the District. See "THE DEVELOPMENT – Taxes, Fees and Assessments" and "BONDOWNERS' RISKS" herein for more information.

### **Covenant Against Sale or Encumbrance**

In the Indenture, the District will covenant that (a) except for those improvements comprising any portion of the Assessment Area One Project that are to be conveyed by the District to the County, the State Department of Transportation or another governmental entity and (b) except as otherwise permitted in the Indenture, it will not sell, lease or otherwise dispose of or encumber the Assessment Area One Project or any part thereof. See "APPENDIX A: PROPOSED FORMS OF INDENTURES" attached hereto for more information.

### **Series 2021 Acquisition and Construction Account**

The First Supplemental Indenture establishes a separate account within the Acquisition and Construction Fund designated as the "Series 2021 Acquisition and Construction Account." Proceeds of the Series 2021 Bonds shall be deposited into the Series 2021 Acquisition and Construction Account in the amount set forth in the First Supplemental Indenture, together with any other moneys transferred to the Series 2021 Acquisition and Construction Account and such moneys in the Series 2021 Acquisition and Construction Account shall be applied as set forth in the Indenture. After the Completion Date, any moneys remaining in the Series 2021 Acquisition and Construction Account, as evidenced in writing from the District or from the District Manager, on behalf of the District to the Trustee, shall be transferred to the Series 2021 General Redemption Subaccount of the Series 2021 Bond Redemption Account, and thereupon, the Series 2021 Acquisition and Construction Account shall be closed. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached as an exhibit to the First Supplemental Indenture, moneys withdrawn from the Series 2021 Acquisition and Construction Account shall be used to pay to the Person or Persons so designated in such requisition.

In accordance with the provisions of the Indenture, upon the occurrence of an Event of Default with respect to the Series 2021 Bonds, the Series 2021 Bonds are payable solely from the Series 2021 Pledged Revenues and any other moneys held by the Trustee under the Indenture for such purpose. Except as provided below, anything in the Indenture to the contrary notwithstanding, the District will acknowledge in the First Supplemental Indenture that, upon the occurrence of an Event of Default with respect to the Series 2021 Bonds, (i) the Series 2021 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2021 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, (ii) the Series 2021 Pledged Revenues may not be used by the District (whether to pay costs of the Assessment Area One Project or otherwise) without the consent of the Majority Holders, and (iii) the Series 2021 Pledged Revenues may be used by the Trustee, at the direction, or with the approval of the Majority Holders, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture.

### **Series 2021 Reserve Account**

The First Supplemental Indenture establishes a Series 2021 Reserve Account within the Debt Service Reserve Fund for the Series 2021 Bonds. The Series 2021 Reserve Account will, at the time of delivery of the Series 2021 Bonds, be funded from a portion of the net proceeds of the Series 2021 Bonds in the amount of the Series 2021 Reserve Requirement. "Series 2021 Reserve Requirement" or "Reserve Requirement" shall mean initially an amount equal to the maximum annual debt service with respect to the principal amount of the Series 2021 Bonds determined on the date of issue. If a portion of the Series 2021 Bonds are redeemed pursuant to the First Supplemental Indenture, the Reserve Requirement shall be reduced to the maximum annual debt service of the Series 2021 Bonds after taking into account such extraordinary mandatory redemption. Notwithstanding any of the foregoing, upon satisfaction of the Release Conditions as evidenced by a written certificate of the District Manager delivered to the Trustee, which the Trustee may conclusively rely, the Series 2021 Reserve Requirement shall mean fifty percent (50%) of the then maximum annual debt service of the Outstanding Series 2021 Bonds. Any amount in the Series 2021 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2021 Bonds be used to pay principal of and interest on the Series 2021 Bonds at that time. The initial Series 2021 Reserve Requirement shall be equal to \$[\_\_\_\_\_].

"Release Conditions" shall mean all lots within Assessment Area One have been platted and sold and closed with homebuilders and no Event of Default has occurred and is continuing.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2021 Reserve Account and prior to the Completion Date, transfer any excess therein above the applicable Reserve Requirement for the Series 2021 Bonds caused by investment earnings to the Series 2021 Acquisition and Construction Account prior to the Completion Date, and after the Completion Date, to the Series 2021 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2021 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2021 Bonds to the Series 2021 General Redemption Subaccount of the Series 2021 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2021 Special Assessments and applied to redeem a portion of the Series 2021 Bonds is less than the principal amount of Series 2021 Bonds indebtedness attributable to such lands.

Subject to the provisions of the First Supplemental Indenture, on any date the District receives notice from the District Manager that the Developer wishes to prepay its Series 2021 Special Assessments relating to the benefited property of such Developer, or as a result of a mandatory true-up payment, the District shall, or cause the District Manager, on behalf of the District to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2021 Prepayment Principal due by the amount of money in the Series 2021 Reserve Account that will be in excess of the then Reserve Requirement, taking into account the proposed Prepayment. Such excess shall be transferred to the Series 2021 Prepayment Subaccount of the Series 2021 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the Developer from the Series 2021 Reserve Account to the Series 2021 Prepayment Subaccount of the Series 2021 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2021 Bonds in accordance with the First Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Upon satisfaction of the Release Conditions, the Trustee shall transfer the excess moneys in the Series 2021 Reserve Account as a result into the Series 2021 Acquisition and Construction Account.

It shall be an event of default under the Indenture if at any time the amount in the Series 2021 Reserve Account is less than the Series 2021 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Series 2021 Reserve Requirement and such amount has not been restored within thirty (30) days of such withdrawal.

### **Deposit and Application of the Series 2021 Pledged Revenues**

Pursuant to the First Supplemental Indenture, Series 2021 Special Assessments (except for Prepayments of Series 2021 Special Assessments, which shall be identified as such by the District to the Trustee and deposited in the Series 2021 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2021 Revenue Account established within the Revenue Fund. The Trustee shall transfer from amounts on deposit in the Series 2021 Revenue Account to the Funds, Accounts and subaccounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each November 1 commencing November 1, 2021, to the Series 2021 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2021 Bonds becoming due on the next succeeding November 1, less any amounts on deposit in the Series 2021 Capitalized Interest Account or the Series 2021 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each May 1 commencing May 1, 2022, to the Series 2021 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2021 Bonds becoming due on the next succeeding May 1, less any amount on deposit in the Series 2021 Capitalized Interest account or the Series 2021 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each May 1, commencing May 1, 2023, to the Series 2021 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2021 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2021 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding the May 1, which is the principal payment date for any Series 2021 Bonds, to the Series 2021 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2021 Bonds Outstanding maturing on such May 1, less any amounts on deposit in the Series 2021 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2021 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2021 Interest Account, the amount necessary to pay interest on the Series 2021 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2021 Bonds remain Outstanding, to the Series 2021 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the applicable Reserve Requirement for the Series 2021 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2021 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2021 Bonds and next, any balance in the Series 2021 Revenue Account shall remain on deposit in such Series 2021 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2021 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Notwithstanding that the District has funded the Series 2021 Capitalized Interest Account to pay interest on the Series 2021 Bonds through at least May 1, 2022, moneys on deposit in the Series 2021 Capitalized Interest Account, including all investment earnings thereon, shall remain on deposit in such Account and be used by the Trustee to pay interest on the Series 2021 Bonds on any subsequent Interest Payment Date if moneys remain after May 1, 2022. When such Account has been depleted of all funds, the Trustee shall be authorized to close such Account.

## **Investments**

The Trustee shall, as directed by the District in writing, invest moneys held in the Series Accounts in the Debt Service Fund and any Series Account within the Bond Redemption Fund and the Debt Service Reserve Fund and any Series Account therein created under the First Supplemental Indenture only in Government Obligations and other Investment Securities described in the Indenture. Except for a certain Investment Securities enumerated in the Indenture, all deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth in the Indenture. All securities securing investments under the Indenture shall be deposited with a Federal

Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the provisions of the Indenture, any interest and other income so received shall be deposited in the related Series Account of the Revenue Fund. Upon request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof, except as provided in the Indenture. If the net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund. See "APPENDIX A: PROPOSED FORMS OF INDENTURES" attached hereto.

Absent specific instructions as aforesaid or absent standing instructions from the District for investment of such moneys, then the Trustee shall not be responsible or liable for keeping the moneys invested. The Trustee shall not be liable or responsible for any loss or failure to achieve the highest return, or entitled to any gain, resulting from any investment or sale upon the investment instructions of the District or otherwise. The Trustee may make any investments permitted by the provisions of the Indenture through its own bond department or investment department.

The Trustee shall value the assets in each of the Funds and Accounts established under the Indenture forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the District a report of the status of each Fund and Account as of the valuation date. For the purpose of determining the amount on deposit to the credit of any Fund or Account established under the Indenture, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the redemption price thereof, to the extent that any such obligation is then redeemable at the option of the holder.

### **Master Indenture Provisions Relating to Bankruptcy of Developer or Other Obligated Person**

The Master Indenture contains the following provisions which, pursuant to the Master Indenture, shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against the Developer or other "obligated person" (as defined in the Disclosure Agreement) (herein a "Landowner") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Series 2021 Bonds remain Outstanding, in any Proceeding involving the District, any Landowner, or the Series 2021 Special Assessments, the District shall be obligated to act in accordance with direction from the Trustee, and the Trustee shall be obligated to act in accordance with direction from the Beneficial Owners of at least twenty-five percent (25%) of the aggregate principal amount of all Outstanding Series 2021 Bonds, with regard to all matters directly or indirectly affecting the Series 2021 Bonds.

The District will acknowledge and agree that, although the Series 2021 Bonds will be issued by the District, the Beneficial Owners of such Series 2021 Bonds are categorically the party with a financial stake in the repayment of the Series 2021 Bonds and, consequently, the party with a vested interest in a

Proceeding. In the event of any Proceeding involving any Landowner (a) the District will agree that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2021 Special Assessments, the Series 2021 Bonds or any rights of the Trustee or Series 2021 Bondholders under the Indenture that is inconsistent with any direction from the Trustee, (b) the Trustee shall have the right, but is not obligated to, vote in any such Proceeding any and all claims of the District, and, if the Trustee chooses to exercise such right, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Landowner, including without limitation, the right to file and/or prosecute any claims, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (c) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of any lands submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District's claim with respect to the Series 2021 Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District will agree that the Trustee shall have the right (i) to file a proof of claim with respect to the Series 2021 Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim. Notwithstanding the provisions of the immediately preceding paragraphs, nothing under this heading shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments, or claims for moneys or performance under a contract, and the District shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Series 2021 Special Assessments relating to the Series 2021 Bonds Outstanding whether such claim is pursued by the District or the Trustee. See "BONDOWNERS' RISKS – Bankruptcy and Related Risks" herein for more information.

### **Events of Default and Remedies**

The Indenture provide that each of the following shall be an "Event of Default" under the Indenture, with respect to the Series 2021 Bonds:

(a) if payment of any installment of interest on any Series 2021 Bond is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Series 2021 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act which failure or incapacity may reasonably be determined solely by the Majority Holders of the Series 2021 Bonds; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency,

local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in the Series 2021 Bonds and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders of the Series 2021 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as, the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Series 2021 Reserve Account is less than the Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Reserve Requirement on such Series 2021 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) more than twenty percent (20%) of the "maintenance special assessments" levied by the District on District Lands upon which the Series 2021 Special Assessments are levied to secure the Series 2021 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, within ninety (90) days when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Series 2021 Bonds shall be subject to acceleration. Upon the occurrence and continuation of an Event of Default with respect to the Series 2021 Bonds, no optional redemption or extraordinary mandatory redemption of such Series 2021 Bonds pursuant to the Indenture shall occur unless all of the Bonds of such Series 2021 Bonds where an Event of Default has occurred will be redeemed or 100% of the Holders of the such Series 2021 Bonds agree to such redemption.

If any Event of Default with respect to the Series 2021 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holders of the Outstanding Series 2021 Bonds and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2021 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Bondholders of Bonds of such Series 2021 Bonds and to perform its or their duties under the Act;

(b) bring suit upon the Series 2021 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2021 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2021 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2021 Bonds.

If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, then the District, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights under the Indenture as though no such proceeding had been taken.

The Majority Holders of the Series 2021 Bonds then subject to remedial proceedings under the Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with applicable law or the provisions of the Indenture.

No Bondholder shall have any right to pursue any remedy under the Indenture unless (a) the Trustee shall have been given written notice of an Event of Default, (b) the Majority Holders of the Series 2021 Bonds shall have requested the Trustee, in writing, to exercise the powers granted in the Indenture or to pursue such remedy in its or their name or names, (c) the Trustee shall have been offered indemnity satisfactory to it against costs, expenses and liabilities, and (d) the Trustee shall have failed to comply with such request within a reasonable time.

Subject to the provisions of the Indenture regarding Payment Related Default, the District will acknowledge in the Indenture that, upon the occurrence of an Event of Default with respect to the Series 2021 Bonds, (i) the Series 2021 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2021 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, (ii) the Series 2021 Pledged Revenues may not be used by the District (whether to pay costs of the Assessment Area One Project or otherwise) without the consent of the Majority Holders, and (iii) the Series 2021 Pledged Revenues may be used by the Trustee, at the direction, or with the approval of the Majority Holders, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District will covenant not to enter into any contract regarding the Assessment Area One Project from and after the occurrence of an Event of Default without the written direction of the Majority Holders

## **ENFORCEMENT OF ASSESSMENT COLLECTIONS**

### **General**

The primary source of payment for the Series 2021 Bonds are the collection of Series 2021 Special Assessments imposed on the assessable lands in Assessment Area One of the District specially benefited by the Assessment Area One Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY."

The imposition, levy, and collection of Series 2021 Special Assessments must be done in compliance with the provisions of Florida law. Failure by the District, the Volusia County Tax Collector ("Tax Collector") or the Volusia County Property Appraiser ("Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2021 Special Assessments during any year. Such delays in the collection of Series 2021 Special Assessments, or complete inability to collect the Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2021 Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Series 2021 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2021 Bonds.

For the Series 2021 Special Assessments to be valid, the Series 2021 Special Assessments must meet two requirements: (1) the benefit from the Assessment Area One Project to the lands subject to the Series 2021 Special Assessments must exceed or equal the amount of the Series 2021 Special Assessments, and (2) the Series 2021 Special Assessments must be fairly and reasonably allocated across all such benefitted properties.

Pursuant to the Act, and the Assessment Proceedings, the District may collect the Series 2021 Special Assessments through a variety of methods. See "BONDOWNERS' RISKS." Initially, the District will directly collect the Series 2021 Special Assessments levied in lieu of Uniform Method of Collection (the "Uniform Method") afforded by Chapter 197, Florida Statutes, with respect to any assessable lands within the District which have not yet been platted, or for platted lots that are owned by the Developer, or when the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders directs the District otherwise. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY." As lands are platted and sold, the Series 2021 Special Assessments will be added to the County tax roll and collected pursuant to the Uniform Method unless the timing for using the Uniform Method will not yet allow for using such method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

### **Direct Billing and Foreclosure Procedure**

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the Series 2021 Special Assessments. In this context, Section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2021 Special Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2021 Special Assessments and the ability to foreclose the lien of such Series 2021 Special Assessments upon the failure to pay such Series 2021 Special Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2021 Special Assessments. See "BONDOWNERS' RISKS."

### **Uniform Method Procedure**

Subject to certain conditions, the District may alternatively elect to collect the Series 2021 Special Assessments using the Uniform Method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2021 Special Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2021 Special Assessments will be collected together with County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments – including the Series 2021 Special Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2021 Special Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2021 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2021 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2021 Bonds.

Under the Uniform Method, if the Series 2021 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2021 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2021 Special Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2021 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2021 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2021 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2021 Special Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest,

which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or "struck off," to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2021 Special Assessments), interest, costs and charges on the real property described in the certificate.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in excess of the statutory bid of the certificate holder, but such excess is not

sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the County Clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County Commission that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date of the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2021 Special Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2021 Special Assessments, which are the primary source of payment of the Series 2021 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDOWNERS' RISKS."

### **BONDOWNERS' RISKS**

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described under other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2021 Bonds offered hereby and are set forth below. Prospective investors in the Series 2021 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2021 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2021 Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2021 Bonds.

#### **Concentration of Land Ownership**

As of the date of delivery of the Series 2021 Bonds, the Developer owns all of the assessable lands within Assessment Area One of the District, which are the lands that will be subject to the Series 2021 Special Assessments securing the Series 2021 Bonds. Payment of the Series 2021 Special Assessments is primarily dependent upon their timely payment by the Developer and the other future landowners within Assessment Area One of the District. Non-payment of the Series 2021 Special Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay debt service on the Series 2021 Bonds. See "THE DEVELOPER" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS" herein.

## **Bankruptcy and Related Risks**

In the event of the institution of bankruptcy or similar proceedings with respect to the Developer or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2021 Bonds, as such bankruptcy could negatively impact the ability of: (i) the Developer and any other landowner to pay the Series 2021 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2021 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2021 Special Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2021 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2021 Bonds, including, without limitation, enforcement of the obligation to pay Series 2021 Special Assessments and the ability of the District to foreclose the lien of the Series 2021 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2021 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2021 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to the Developer or "obligated person" (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of Developer or Other Obligated Person." The District cannot express any view whether such delegation would be enforceable.

### **Series 2021 Special Assessments Are Non-Recourse**

The principal security for the payment of the principal and interest on the Series 2021 Bonds is the timely collection of the Series 2021 Special Assessments. The Series 2021 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Developer or subsequent landowners will be able to pay the Series 2021 Special Assessments or that they will pay such Series 2021 Special Assessments even though financially able to do so. Neither the Developer nor any other subsequent landowners have any personal obligation to pay the Series 2021 Special Assessments. Neither the Developer nor any subsequent landowners are guarantors of payment of any Series 2021 Special Assessments, and the recourse for the failure of the Developer or any subsequent landowner to pay the Series 2021 Special Assessments is limited to the collection proceedings against the land subject to such unpaid Series 2021 Special Assessments, as described herein. Therefore the likelihood of collection of the Series 2021 Special Assessments may ultimately depend on the market value of the land subject to the Series 2021 Special Assessments. While the ability of the Developer or subsequent landowners to pay the Series 2021 Special Assessments is a

relevant factor, the willingness of the Developer or subsequent landowners to pay the Series 2021 Special Assessments, which may also be affected by the value of the land subject to the Series 2021 Special Assessments, is also an important factor in the collection of Series 2021 Special Assessments. The failure of the Developer or subsequent landowners in Assessment Area One to pay the Series 2021 Special Assessments could render the District unable to collect delinquent Series 2021 Special Assessments, if any, and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2021 Bonds.

### **Regulatory and Environmental Risks**

The development of the District Lands, including the lands in Assessment Area One, is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Zoning and Permitting," herein for more information.

The value of the land within Assessment Area One of the District, the success of the Development, the development of Assessment Area One of the District and the likelihood of timely payment of principal and interest on the Series 2021 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in Assessment Area One of the District, which could materially and adversely affect the success of the development of the lands within Assessment Area One of the District and the likelihood of the timely payment of the Series 2021 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for information on environmental site assessments obtained or received. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within Assessment Area One of the District. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in Assessment Area One of the District.

The value of the lands subject to the Series 2021 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands, including the lands in Assessment Area One, unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2021 Bonds. The Series 2021 Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

### **Economic Conditions and Changes in Development Plans**

The successful development of Assessment Area One of the District and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer. Moreover, the Developer has the right to modify or change plans for development of the Development from time to time,

including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

### **Other Taxes and Assessments**

The willingness and/or ability of an owner of benefited land to pay the Series 2021 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the City, the County or any other local special purpose or general purpose governmental entities. City, county, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2021 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2021 Special Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2021 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2021 Special Assessment, even though the landowner is not contesting the amount of the Series 2021 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem taxes and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

### **Limited Secondary Market for Series 2021 Bonds**

The Series 2021 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2021 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2021 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2021 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2021 Bonds, depending on the progress of development of the Development and the lands within the District, as applicable, existing real estate and financial market conditions and other factors.

### **Inadequacy of Series 2021 Reserve Account**

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2021 Special Assessments, may not adversely affect the timely payment of debt service on the Series 2021 Bonds because of the Series 2021 Reserve Account. The ability of the Series 2021 Reserve Account to fund deficiencies caused by delinquencies in the Series 2021 Special Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in the Series 2021 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in such Series 2021 Reserve

Account to make up deficiencies. If the District has difficulty in collecting the Series 2021 Special Assessments, the Series 2021 Reserve Account would be rapidly depleted and the ability of the District to pay debt service on the Series 2021 Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2021 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2021 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2021 Special Assessments in order to provide for the replenishment of the Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS – Series 2021 Reserve Account" herein for more information about the Series 2021 Reserve Account.

### **Legal Delays**

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2021 Special Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Series 2021 Bonds to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code, there are limitations on the amounts of proceeds from the Series 2021 Bonds that can be used for such purpose.

### **IRS Examination and Audit Risk**

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other

community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations require that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in Florida with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the Developer and none were elected by qualified electors. The Developer will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act, and its expectations as to compliance with the Act by any members of the Board that it elects. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2021 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable state or federal law.

Owners of the Series 2021 Bonds are advised that, if the IRS does audit the Series 2021 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2021 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2021 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2021 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2021 Bonds would adversely affect the availability of any secondary market for the Series 2021 Bonds. Should interest on the Series 2021 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2021 Bonds be required to pay income taxes on the interest received on such Series 2021 Bonds and related

penalties, but because the interest rate on such Series 2021 Bonds will not be adequate to compensate Owners of the Series 2021 Bonds for the income taxes due on such interest, the value of the Series 2021 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE SERIES 2021 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2021 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2021 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2021 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2021 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

### **Loss of Exemption from Securities Registration**

Since the Series 2021 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for political subdivisions, if the District is ever deemed by the IRS, judicially or otherwise, not to be a political subdivision for purposes of the Code, it is possible that federal or state regulatory authorities could also determine that the District is not a political subdivision for purposes of federal and state securities laws. Accordingly, the District and purchasers of Series 2021 Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2021 Bonds would need to ensure that subsequent transfers of the Series 2021 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

### **Federal Tax Reform**

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations or states and their political subdivisions, such as the Series 2021 Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2021 Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2021 Bonds. Prospective purchasers of the Series 2021 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS."

### **State Tax Reform**

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renews requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing

the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2021 Bonds. It should be noted that Section 190.16(14) of the Act provides in pertinent part that "The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders."

### **Insufficient Resources or Other Factors Causing Failure to Complete the Development of, or the Construction of Homes within, Assessment Area One of the District**

The cost to finish the Assessment Area One Project [will] exceed the net proceeds from the Series 2021 Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the Assessment Area One Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the Assessment Area One Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS – Additional Obligations" for more information.

Although the Developer will agree to fund or cause to be funded the completion of the Assessment Area One Project regardless of the insufficiency of proceeds from the Series 2021 Bonds and will enter into a completion agreement with the District as evidence thereof, there can be no assurance that the Developer will have sufficient resources to do so. Such obligation of the Developer is an unsecured obligation, and the Developer is a special-purpose entity whose assets consist primarily of its interest in Assessment Area One. See "THE DEVELOPER" herein for more information.

Further, there is a possibility that, even if Assessment Area One is developed, the Builders may not close on all or any of the lots therein, and such failure to close could negatively impact the construction of homes in Assessment Area One. The Builder Contracts may also be terminated by the Builders upon the occurrence or failure to occur of certain conditions set forth therein. See "THE DEVELOPMENT – The Builder Contracts and the Builders" herein for more information about the Builders and the Builder Contracts. Further, even if development of Assessment Area One is completed, there are no assurances that homes will be constructed and sold within Assessment Area One. See "THE DEVELOPER" herein for more information.

### **COVID-19 and Related Matters**

In addition to the general economic conditions discussed above, the timely and successful completion of the Development and the construction and sale to end users of residential units may be adversely impacted by the continued spread of the novel strain of coronavirus called COVID-19 or by other highly contagious or epidemic or pandemic diseases. The United States, the State and the County have all imposed certain health and public safety restrictions in response to COVID-19. The District cannot predict the duration of these restrictions or whether additional or new actions may be taken by government authorities including the State, the County and/or the City, to contain or otherwise address the impact of the COVID-19 or similar outbreak.

To date, the outbreak has resulted in severe impacts on global financial markets, unemployment levels and commerce generally. The Developer may experience delays in obtaining certain development approvals as a result of the implementation of certain government actions and/or restrictions. The District and the Developer cannot predict the duration of the current COVID-19 outbreak, and the ultimate impact

the COVID-19 outbreak may have on the Development is unknown. It is possible that delays in lot purchases by the Builders, construction delays, delays in the receipt of permits or other government approvals, supply chain delays, delays in sales to end users or other delays could occur, or continue to occur, as applicable, as a result of the COVID-19 outbreak or other highly contagious or epidemic or pandemic diseases that adversely impact the Development. See also "BONDOWNERS' RISKS – Economic Conditions and Changes in Development Plans" and "Insufficient Resources or Other Factors Causing Failure to Complete the Development of, or the Construction of Homes within, Assessment Area One of the District" herein.

### **Cybersecurity**

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2021 Bonds.

### **Prepayment and Redemption Risk**

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2021 Bonds are subject to extraordinary mandatory redemption as a result of prepayments of the Series 2021 Special Assessments by the Developer or subsequent owners of the property within the District. Any such redemptions of the Series 2021 Bonds would be at the principal amount of such Series 2021 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2021 Bonds may not realize their anticipated rate of return on the Series 2021 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2021 Bonds. See "DESCRIPTION OF THE SERIES 2021 BONDS – Redemption Provisions," "– Purchase of Series 2021 Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS – Prepayment of Series 2021 Special Assessments" herein for more information.

### **Payment of Series 2021 Special Assessments after Bank Foreclosure**

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2021 Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

## **THE DISTRICT**

### **General Information**

The District was established by Ordinance No. 2020-25 enacted by the City Commission of the City of Deland, Florida (the "City") on October 19, 2020 under the provisions of the Act. The District is located in the City and includes approximately 197 gross acres of land (the "District Lands"). The District Lands are being developed as part of a single-family residential community known as "Lakewood Park." See "THE DEVELOPMENT" herein for a summary of the current development status of the Development.

### **Legal Powers and Authority**

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter.

Among other provisions, the Act gives the District's Board (as defined below) the authority to, among other things, (a) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems, facilities, and basic infrastructure for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; (iv) conservation areas, mitigation areas, and wildlife habitat; (v) any other project, facility, or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District, and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses, and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits. These functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens.

### **Board of Supervisors**

The Act provides that a five-member Board of Supervisors (the "Board") serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens of the United States. Initially, the Supervisors were appointed in the Ordinance. Within 90 days after

formation of the District, an election was held pursuant to which new Supervisors were elected on an at-large basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

At the initial election held within 90 days after formation of the District, the landowners in the District elected two Supervisors to four-year terms and three Supervisors to two-year terms. Thereafter, the elections have taken place and will take place every two years, with the first such election being held on the first Tuesday in November, and subsequent elections being held on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected (as their terms expire) by qualified electors of the District. A qualified elector is a registered voter who is at least 18 years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. Thereafter, as terms expire, all Supervisors must be qualified electors and must be elected by qualified electors to serve staggered four-year terms.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

<u>Name***</u>	<u>Title</u>	<u>Term Expires</u>
Chris Helfrich*	Chairman	November 2024
Brian Martin*	Assistant Secretary	November 2022
Neil Klaproth*	Assistant Secretary	November 2022
Chad Moorhead**	Assistant Secretary	November 2022

\* Employee of, or affiliated with, the Developer.

\*\* Employee of, or affiliated with, the District Engineer.

\*\*\* One seat remains vacant on the Board.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

### **The District Manager and Other Consultants**

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board. The District has retained Wrathell, Hunt and Associates, LLC, Boca Raton, Florida, to serve as its district manager ("District Manager"). The District Manager's office is located 2300 Glades Rd., Ste. #410W, Boca Raton, Florida 33431.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Greenberg Traurig, P.A., West Palm Beach, Florida, as Bond Counsel; Madden, Moorhead & Stokes, LLC, Maitland, Florida, as District Engineer; and Cobb Cole, P.A., Deland, Florida, as District Counsel. The Board has also retained the District Manager to serve as Methodology Consultant and to prepare the Assessment Methodology and to serve as Dissemination Agent for the Series 2021 Bonds.

### **No Outstanding Indebtedness**

The District has not previously issued any bonds or other debt obligations.

**THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA ONE PROJECT**

Madden, Moorhead & Stokes, LLC (the "District Engineer") prepared a report entitled Engineer's Report for Capital Improvements, dated October 28, 2020 (the "Original Engineer's Report"), as supplemented by the [\_\_\_\_\_, dated \_\_\_\_\_, 2021] (the "Supplemental Engineer's Report" and, together with the Original Engineer's Report, the "Engineer's Report"). A copy of the Engineer's Report is attached hereto as Appendix C. The Engineer's Report sets forth certain public infrastructure improvements necessary for the development of the 434 single-family residential homes planned for the Development (the "Capital Improvement Plan"). The District Engineer estimates the total costs of the Capital Improvement Plan to be approximately \$10,670,087.

Land development associated with the District Lands is scheduled to occur in phases. Phase 1 of the Development, which is Assessment Area One, consists of approximately 81.86 acres and is planned to contain 187 single-family residential homes. Phase 2 and Phase 3 of the Development consist of approximately 115.15 acres and are planned to contain 247 single-family residential homes. The Series 2021 Bonds will finance a portion of the public infrastructure improvements associated with Phase 1 of the Development (the "Assessment Area One Project").

The District Engineer estimates the total cost to complete the Assessment Area One Project to be approximately \$[\_\_\_\_\_], as more particularly described below: [To be updated upon receipt of Supplemental ER.]

See "APPENDIX C: ENGINEER'S REPORT" for more information regarding the above improvements.

The net proceeds of the Series 2021 Bonds available to fund the Assessment Area One Project will be approximately \$2.7 million\* and such proceeds will be used by the District towards the funding and/or acquisition of a portion of the Assessment Area One Project. The Developer will enter into a completion agreement that will obligate the Developer to complete any portions of the Phase One Project not funded with proceeds of the Series 2021 Bonds. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the Development of, or the Construction of Homes within, Assessment Area One of the District" herein.

Land development associated with the Assessment Area One Project commenced in November 2020 and is expected to be completed by August 2021. To date, the Developer has spent approximately \$[\_\_\_\_\_] towards land development, a portion of which includes the Assessment Area One Project.

---

\* Preliminary, subject to change.

The District anticipates issuing additional bonds to finance infrastructure improvements associated with Phase 2 and Phase 3 of the Development. Such bonds will be secured by lands which are separate and distinct from the land securing the Series 2021 Bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS – Additional Obligations" herein for more information.

The District Engineer has indicated that all engineering permits necessary to construct the Assessment Area One Project have been obtained or will be obtained in the ordinary course of business. In addition to the Engineer's Report, please refer to "THE DEVELOPMENT – Zoning and Permitting" for a more detailed description of the entitlement and permitting status of the Development.

**ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS**

The Master Special Assessment Methodology Report dated October 28, 2020 (the "Master Special Assessment Allocation Report"), as supplemented by the [\_\_\_\_\_] dated [\_\_\_\_\_], 2021 (the "Preliminary Supplemental Special Assessment Allocation Report" and together with the Master Special Assessment Allocation Report, the "Assessment Methodology"), which allocate the Series 2021 Special Assessments to the lands encompassing the Assessment Area One Project within the District, have been prepared by Wrathell, Hunt and Associates, LLC, Boca Raton, Florida (the "Methodology Consultant"). See "EXPERTS" herein for more information. The Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Series 2021 Bonds are determined, the Preliminary Supplemental Special Assessment Allocation Report will be amended to reflect such final terms. Once levied and imposed, the Series 2021 Special Assessments are first liens on the lands within the District against which they are assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

The Series 2021 Bonds are payable from and secured by a pledge of the Series 2021 Pledged Revenues which consist primarily of the Series 2021 Special Assessments. [As set forth in the Assessment Methodology, the District will levy the Series 2021 Special Assessments on all of the approximately 81.86 gross acres in Assessment Area One. As lots are platted, the Series 2021 Special Assessments are expected to be assigned to the 187 lots planned for Phase 1 on a first platted, first assigned basis as set forth in the Assessment Methodology.] Assuming that all of the 187 residential units are developed and platted, then the Series 2021 Special Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" for more information. [Above and below to be updated upon receipt of Supplemental SAM.]

\*Preliminary, subject to change. [Annual assessment levels shown include a gross up to account for early payment discounts and County collection fees for when assessments are collected via the Uniform Method.]

The District anticipates levying assessments to cover its operation and maintenance costs that will be approximately \$[\_\_\_\_\_] per residential unit annually, which amount is subject to change. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. These taxes would be payable in addition to the Series 2021 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the [City], the County and the School Board of Volusia County each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information.

## **THE DEVELOPMENT**

### **General**

The District Lands encompass approximately 197 gross acres located in the City of Deland (the "City") within Volusia County ("the County") and are being developed as a single-family home residential community to be known as "Lakewood Park" and referred to herein as the "Development." At buildout, the Development is planned to contain 434 single-family residential homes consisting of (i) 164 single-family homes on forty-foot wide lots, (ii) 257 single-family homes on fifty-foot wide lots, and (iii) 13 single-family homes on sixty-foot wide lots, together with recreational/amenity areas and associated infrastructure.

The Development is bounded on the north by State Road 44, on the east by North Summit Avenue, and on the west by Martin Luther King Boulevard. The area surrounding the Development is a densely populated residential area which contains ancillary services such as shopping, transportation and medical care. The Deland Municipal Airport is approximately 10 minutes from the Development, the Daytona International Speedway is approximately 15 minutes from the Development, and Daytona Beach is approximately 30 minutes from the Development.

Land development associated with the Development is scheduled to occur in phases. Phase 1 consists of approximately 81.86 acres planned for 187 single-family homes ("Assessment Area One"). Phase 2 and Phase 3 consist of approximately 115.15 acres planned for 247 single-family homes. The Series 2021 Bonds will finance a portion of the public infrastructure improvements associated with Phase 1 of the Development (the "Assessment Area One Project"). It is anticipated that the District will issue one or more additional series of bonds in the future to finance infrastructure improvements associated with Phase 2 and Phase 3. Such bonds will be secured by lands which are separate and distinct from the land securing the Series 2021 Bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2021 BONDS – Additional Obligations" herein for more information.

The Series 2021 Bonds will be secured by the Series 2021 Special Assessments which will be levied on the approximately 81.86 acres which comprise Assessment Area One. As lots are platted, the Series 2021 Special Assessments are expected to be assigned to the 187 lots planned for Assessment Area One on a first platted, first assigned basis. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" and "- Taxes, Fees and Assessments" herein for more information.

Lakewood Park Project I, LLC, a Florida limited liability company (the "Developer"), is the owner of the District Lands and the developer for the Development. See "THE DEVELOPER" herein for more information. The Developer has entered into builder contracts with the following builders for all 434 lots planned for the Development: (i) 217 developed lots in a series of takedowns with NVR, Inc. ("NVR"), 93 of which lie within Assessment Area One, and (ii) 217 developed lots in a series of takedowns with Dream Finders Homes ("Dream Finders", and collectively with NVR the "Builders"), 94 of which lie within Assessment Area One.

At buildout, Assessment Area One is planned to contain 187 single-family residential homes consisting of (i) 71 single-family homes on forty-foot wide lots and (ii) 116 single-family homes on fifty-foot wide lots. Homes planned for Assessment Area One will range in size from approximately 1,400 square feet to 2,200 square feet and starting price points will range from approximately \$200,000 to \$300,000. The target customers for units within the Development are first time homebuyers and move-up buyers. See "- Residential Product Offerings" herein for more information.

### **Land Acquisition and Finance Plan**

The Developer acquired title to the District Lands, including Assessment Area One, on October 27, 2020 for a purchase price of approximately \$6,940,000. There are currently no mortgages on the lands within the District.

The Developer estimates that the costs to complete the land development associated with Assessment Area One will be approximately \$[\_\_\_\_\_], consisting of the costs of the Assessment Area One Project and other hard and soft costs, of which the Developer has spent approximately \$[\_\_\_\_\_] to date. The net proceeds from the Series 2021 Bonds will be approximately \$2.7 million\* and such proceeds will be used by the District towards the funding and/or acquisition of the Assessment Area One Project. The Developer will enter into a completion agreement that will obligate the Developer to complete any portions of the Assessment Area One Project not funded with proceeds of the Series 2021 Bonds. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the Development of, or the Construction of Homes within, Assessment Area One of the District" herein.

### **Development Plan and Status**

Land development for Assessment Area One commenced in November 2020 and is expected to be completed by August 2021, at which time lots will be delivered to homebuilders in accordance with the builder contracts.

Marketing of residential units is expected to commence in the [third] quarter of 2021. The Developer expects the Builders to commence vertical construction for Assessment Area One in the third quarter of 2021, with closings anticipated to commence by the first quarter of 2022. The Development will have an on-site sales center that is expected to open in the fourth quarter of 2021. The Developer expects the Builders to construct at least two model homes, which are estimated to be completed by December 2021.

The Developer anticipates that 144 homes will be delivered to end users per annum commencing in the second quarter of 2022 until buildout, which is expected by the first quarter of 2025. This anticipated absorption is based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

\* Preliminary, subject to change.

## **The Builder Contracts and the Builders**

Pursuant to the NVR Contract and subject to Developer's satisfaction of certain development conditions, NVR is required to purchase at least 18 lots per quarter, continuing on a quarterly basis until all of the lots have been purchased, all subject to the terms and conditions of the NVR Contract. The Developer anticipates that the initial closing will occur in the [\_\_\_\_\_] quarter of 202[\_\_\_\_\_].

Pursuant to the terms of the NVR Contract, NVR has made a total deposit of \$[1,432,000], [which may be released to the Developer upon the satisfaction of certain conditions, including the recording of a mortgage in favor of NVR]. The NVR Contract may also be terminated by NVR upon the occurrence or failure to occur of certain conditions set forth therein. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the Development of, or the Construction of Homes within, Assessment Area One of the District" herein for certain bondowners' risks in the event NVR fails to close on all or a portion of its lots in Assessment Area One.

Pursuant to the D.R. Horton Contract, the First Closing, at which D.R. Horton shall close on 12 lots, shall occur on the date that is 30 days after the receipt of notice from the Developer that certain development criteria have been met as set forth in the D.R. Horton Contract. The Second Closing, at which D.R. The District anticipates levying assessments to cover its operation and maintenance costs that will be approximately \$[\_\_\_\_] per residential unit annually; which amount is subject to change. In addition,

residents will be required to pay homeowners association fees which are currently estimated to be \$850 per year per residential unit, which amount is subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District is currently approximately 20.60620 mills. These taxes would be payable in addition to the Series 2021 Special Assessments and any other assessments levied by the District; which amount is subject to change. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the [City], the County and the School District of Volusia County, Florida may each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

### **Education**

School age residents of the Development will attend [\_\_\_\_\_] Elementary School, [\_\_\_\_\_] Middle School and [\_\_\_\_\_] High School which are located approximately [\_\_] miles, [\_\_] miles and [\_\_] miles away from the Development, respectively, and which were rated [\_\_], [\_\_] and [\_\_], respectively, by the State in 2019 (the most recent year for which grades are available). The Volusia County School Board may change school boundaries from time to time, and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

### **Competition**

Due to their proximity to the Development, price ranges and product types, the Developer believes the following communities will pose the primary competition to the Development: Rivington, [\_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_]. The information under this heading does not purport to summarize all of the existing or planned communities in the area of the Development, but rather provide a description of those that the Developer feels pose primary competition to the Development.

### **Developer Agreements**

As previously noted, the Developer will enter into a completion agreement that will obligate the Developer to complete any portions of the Assessment Area One Project not funded with proceeds of the Series 2021 Bonds. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the Development of, or the Construction of Homes within, Assessment Area One of the District." In addition, the Developer will execute and deliver to the District a Collateral Assignment and Assumption of Development and Contract Rights, pursuant to which the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer, development rights relating to the Assessment Area One Project. Notwithstanding such Agreement, in the event the District forecloses on the lands subject to the Series 2021 Assessments as a result of a Developer's or subsequent landowners' failure to pay such assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the Assessment Area One Project or the development of Assessment Area One. Finally, the Developer will also enter into a True-Up Agreement in connection with its obligations to pay true-up payments in the event that debt levels remaining on re-platted lands in the District increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY REPORT" herein for additional information regarding the "true-up mechanism." All of such obligations of the Developer are unsecured obligations. See "THE DEVELOPER" herein for more information regarding the Developer.

## TAX MATTERS

### General

The Internal Revenue Code of 1986, as amended (the "Code"), includes requirements that the District must continue to meet after the issuance of the Series 2021 Bonds in order that the interest on the Series 2021 Bonds be and remain excludable from gross income for federal income tax purposes. The

District's failure to meet these requirements may cause the interest on the Series 2021 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2021 Bonds. The District has covenanted in the Bond Resolution to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2021 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications by the Developer and the District, and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings, and court decisions, the interest on the Series 2021 Bonds is excludable from gross income of the holders thereof for federal income tax purposes; and, further, interest on the Series 2021 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. Bond Counsel is further of the opinion that the Series 2021 Bonds and the income thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income, or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2021 Bonds. Prospective purchasers of the Series 2021 Bonds should consult their own tax advisors as to the status of interest on the Series 2021 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2021 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Developer, and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2021 Bonds will be and will remain obligations the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2021 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2021 Bonds, or the ownership or disposition of the Series 2021 Bonds. Prospective purchasers of Series 2021 Bonds should be aware that the ownership of Series 2021 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2021 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2021 Bonds, (iii) the inclusion of the interest on the Series 2021 Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2021 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, and (v) the inclusion of interest on the Series 2021 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2021 Bonds. Prospective purchasers of the Series 2021 Bonds should consult their own tax advisors as to the impact of these other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2021 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional

judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

### **Original Issue Discount and Premium**

Certain of the Series 2021 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (*i.e.*, for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2021 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale, or other disposition of that Discount Bond.

Certain of the Series 2021 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity), or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

*Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.*

### **Changes in Federal and State Tax Law**

From time to time, there are legislative proposals suggested, debated, introduced, or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2021 Bonds, or adversely affect the market price or marketability of the Series 2021 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2021 Bonds. Prospective purchasers of the Series 2021 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

## **Information Reporting and Backup Withholding**

Interest paid on tax-exempt bonds such as the Series 2021 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2021 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2021 Bonds, under certain circumstances, to "backup withholding" at the rates set forth in the Code, with respect to payments on the Series 2021 Bonds and proceeds from the sale of Series 2021 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2021 Bonds. This withholding generally applies if the owner of Series 2021 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2021 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

### **AGREEMENT BY THE STATE**

Under the Act, the State of Florida pledges to the holders of any bonds issued thereunder, including the Series 2021 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

### **LEGALITY FOR INVESTMENT**

The Act provides that the Series 2021 Bonds issued by community development districts are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State, and constitute securities that may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

### **SUITABILITY FOR INVESTMENT**

In accordance with applicable provisions of Florida law, the Series 2021 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes and the rules promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfer in any secondary market for the Series 2021 Bonds. Investment in the Series 2021 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing.

## **ENFORCEABILITY OF REMEDIES**

The remedies available to the Owners of the Series 2021 Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2021 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2021 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

## **LITIGATION**

### **The District**

There is no litigation of any nature now pending or, to the knowledge of the District threatened, against the District and seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2021 Bonds, or in any way contesting or affecting (i) the validity of the Series 2021 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2021 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

### **The Developer**

There is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the Assessment Area One Project or the development of the lands in the District as described herein, materially and adversely affect the ability of the Developer to pay the Series 2021 Special Assessments imposed against the land within Assessment Area One of the District owned by the Developer or materially and adversely affect the ability of the Developer to perform its various obligations described in this Limited Offering Memorandum.

## **CONTINGENT FEES**

The District has retained Bond Counsel, District Counsel, the District Engineer, the District Manager/Methodology Consultant, the Underwriter (who has retained Underwriter's Counsel) and the Trustee (who has retained Trustee's Counsel), with respect to the authorization, sale, execution and delivery of the Series 2021 Bonds. Except for the payment of certain fees to District Counsel, the District Engineer and the District Manager, the payment of fees of the professionals is each contingent upon the issuance of the Series 2021 Bonds.

## **NO RATING**

No application for a rating for the Series 2021 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2021 Bonds would have been obtained if application had been made.

## **EXPERTS**

The Engineer's Report has been prepared by Madden, Moorhead & Stokes, LLC, Maitland, Florida, the District Engineer. APPENDIX C should be read in its entirety for complete information with respect to

the subjects discussed therein. Wrathell, Hunt and Associates, LLC, Boca Raton, Florida, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX D attached hereto. APPENDIX D should be read in its entirety for complete information with respect to the subjects discussed therein. As a condition to closing on the Series 2021 Bonds, both the District Engineer and the Methodology Consultant will consent to the inclusion of their respective reports in this Limited Offering Memorandum.

## **FINANCIAL INFORMATION**

This District will covenant in a Disclosure Agreement (as defined below), the proposed form of which is set forth in APPENDIX E attached hereto, to provide its annual audited financial statements to EMMA (as defined below) as described in APPENDIX E, commencing with the audit for the District fiscal year ending September 30, 2021. The District does not have audited financial statements because the District has only recently been established. The Series 2021 Bonds are not general obligation bonds of the District and are payable solely from the Series 2021 Pledged Revenues.

Beginning October 1, 2015, or by the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

## **DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS**

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District is not and has never been in default as to principal or interest on its bonds or other debt obligations since December 31, 1975.

## **CONTINUING DISCLOSURE**

The District and the Developer will enter into a Continuing Disclosure Agreement (the "Disclosure Agreement"), the proposed form of which is set forth in the attached APPENDIX E, for the benefit of the Series 2021 Bondholders (including owners of beneficial interests in such Bonds), to provide certain financial information and operating data relating to the District and disclosures of certain enumerated material events by certain dates prescribed in the Disclosure Agreement (the "Reports") with the Municipal Securities Rulemaking Board ("MSRB") through the MSRB's Electronic Municipal Market Access system ("EMMA"). The specific nature of the information to be contained in the Reports is set forth in "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District or the Developer to comply with their respective obligations under the Disclosure Agreement may constitute an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2021 Bondholders (including owners of beneficial interests in such Series 2021 Bonds) to bring an action for specific performance.

The District has not previously issued any bonds and has not previously entered into any continuing disclosure obligations pursuant to Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"). The Developer has not previously entered into any continuing disclosure obligations pursuant to the Rule. The District and Developer fully anticipate satisfying all future disclosure

obligations required pursuant to the Disclosure Agreement. The District will appoint the District Manager to serve as dissemination agent under the Disclosure Agreements for the Series 2021 Bonds.

### **UNDERWRITING**

FMSbonds, Inc. (the "Underwriter") has agreed, pursuant to a contract with the District, subject to certain conditions, to purchase the Series 2021 Bonds from the District at a purchase price of \$\_\_\_\_\_ (par amount of the Series 2021 Bonds, [plus/less an original issue premium/discount of \$\_\_\_\_\_ and] less an Underwriter's discount of \$\_\_\_\_\_). The Underwriter's obligations are subject to certain conditions precedent and upon satisfaction or waiver by the Underwriter of such conditions, and the Underwriter will be obligated to purchase all of the Series 2021 Bonds if any Series 2021 Bonds are issued.

The Underwriter intends to offer the Series 2021 Bonds to accredited investors at the offering prices set forth on the cover page of this Limited Offering Memorandum, which may subsequently change without prior notice. The Series 2021 Bonds may be offered and sold to certain dealers, banks and others at prices lower than the initial offering prices, and such initial offering prices may be changed from time to time by the Underwriter.

### **VALIDATION**

Bonds issued pursuant to the terms of the Master Indenture have been validated by a judgment of the Circuit Court of the Seventh Judicial Circuit Court of Florida in and for Volusia County, Florida, rendered on [February 8, 2021]. [The period of time during which an appeal can be taken from such judgment has expired without an appeal having been taken.]

### **LEGAL MATTERS**

Certain legal matters related to the authorization, sale and delivery of the Series 2021 Bonds are subject to the approval of Greenberg Traurig, P.A., West Palm Beach, Florida, Bond Counsel. Certain legal matters will be passed upon for the District by its counsel, Cobb Cole, P.A., Deland, Florida, for the Developer by its counsel, [\_\_\_\_\_, \_\_\_\_\_], Florida, and for the Underwriter by its counsel, GrayRobinson, P.A. Tampa, Florida.

Bond Counsel's opinion included herein is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date hereof. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the Internal Revenue Service or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

The references herein to the Series 2021 Bonds and other documents referred to herein are brief summaries of certain provisions thereof. Such summaries do not purport to be complete and reference is made to such documents for full and complete statements of such provisions.

The provisions of this Disclosure Agreement are supplemental and in addition to the provisions of the Indenture with respect to reports, filings and notifications provided for therein, and do not in any way relieve the Issuer, the Trustee or any other person of any covenant, agreement or obligation under the Indenture (or remove any of the benefits thereof) nor shall anything herein prohibit the Issuer, the Trustee or any other person from making any reports, filings or notifications required by the Indenture or any applicable law.

to Indirect Participants, and DTC Participants and Indirect Participants shall be responsible for notices to Beneficial Owners.

The Issuer and the Trustee, if appropriate, shall enter into a blanket letter of representations with DTC providing for such book-entry-only system. Such agreement may be terminated at any time by either DTC or the Issuer in accordance with the procedures of DTC. In the event of such termination, the Issuer shall select another securities depository and in that event, all references herein to DTC or Cede & Co., shall be deemed to be for reference to such successor. If the Issuer does not replace DTC, the Trustee will register and deliver to the Beneficial Owners replacement Series 2021 Bonds in the form of fully registered Series 2021 Bonds in accordance with the instructions from Cede & Co.

In the event DTC, any successor of DTC or the Issuer, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Series 2021 Bonds may be exchanged for an equal aggregate principal amount of Series 2021 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee.

**SECTION 2.08.**     Appointment of Registrar and Paying Agent. The Issuer shall keep, at the designated corporate trust office of the Registrar, books (the “Bond Register”) for the registration, transfer and exchange of the Series 2021 Bonds, and hereby appoints U.S. Bank National Association, as its Registrar to keep such books and make such registrations, transfers, and exchanges as required hereby. U.S. Bank National Association hereby accepts its appointment as Registrar and its duties and responsibilities as Registrar hereunder. Registrations, transfers and exchanges shall be without charge to the Bondholder requesting such registration, transfer or exchange, but such Bondholder shall pay any taxes or other governmental charges on all registrations, transfers and exchanges.

**ADDITIONAL COVENANTS OF THE ISSUER; PREPAYMENTS;**  
**REMOVAL OF SPECIAL ASSESSMENT LIENS**

**SECTION 4.01.**      Establishment of Certain Funds and Accounts.

(a) The Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the “Series 2021 Acquisition and Construction Account.” Proceeds of the Series 2021 Bonds shall be deposited into the Series 2021 Acquisition and Construction Account in the amount set forth in Section 2.06 of this First Supplemental Indenture, together with any moneys transferred to the Series 2021 Acquisition and Construction Account, and such moneys in the Series 2021 Acquisition and Construction Account shall be applied as set forth in Section 5.01 of the Master Indenture shall be applied as set forth in this paragraph (a). After the Completion Date, any moneys remaining in the Series 2021 Acquisition and Construction Account, as evidenced in writing from the Issuer or from the District Manager, on behalf of the Issuer to the Trustee, shall be transferred to the Series 2021 General Redemption Subaccount of the Series 2021 Bond Redemption Account and thereupon, the Series 2021 Acquisition and Construction Account shall be closed. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, moneys withdrawn from the Series 2021 Acquisition and Construction Account shall be used to pay to the Person or Persons so designated in such requisition. Pursuant to the Master Indenture, the Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the “Series 2021 Costs of Issuance Account.” Proceeds of the Series 2021 Bonds shall be deposited into the Series 2021 Costs of Issuance Account in the amount set forth in Section 2.06 of this First Supplemental Indenture. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2021 Costs of Issuance Account to pay the costs of issuing the Series 2021 Bonds. Six months after the issuance of the Series 2021 Bonds, any moneys remaining in the Series 2021 Costs of Issuance Account in excess of the actual costs of issuing the Series 2021 Bonds requested to be disbursed by the Issuer shall be deposited into the Series 2021 Interest Account. Any deficiency in the amount allocated to pay the cost of issuing the Series 2021 Bonds shall be paid from excess Series 2021 Pledged Revenues on deposit in the Series 2021 Revenue Account. When no monies remain therein, the Series 2021 Acquisition and Construction Account and the Series 2021 Costs of Issuance Account shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the “Series 2021 Revenue Account.” The Series 2021 Special Assessments (except for Prepayments of Series 2021 Special Assessments which shall be identified as such by the Issuer to the Trustee and deposited in the Series 2021 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2021 Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 4.02 of this First Supplemental Indenture.

(c) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2021 Principal Account.” Moneys shall be deposited into the Series 2021 Principal Account as provided in

Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Indenture, and applied for the purposes provided therein.

(d) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish two (2) separate Accounts within the Debt Service Fund designated as the “Series 2021 Interest Account” and the “Series 2021 Capitalized Interest Account.” Moneys deposited into the Series 2021 Interest Account and Series 2021 Capitalized Interest Account pursuant to Section 6.04 of the Master Indenture and Sections 2.06 and 4.02 of this First Supplemental Indenture, shall be applied for the purposes provided therein.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish another separate Account within the Debt Service Fund designated as the “Series 2021 Sinking Fund Account.” Moneys shall be deposited into the Series 2021 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Indenture and applied for the purposes provided therein and in Section 3.01(c) of this First Supplemental Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Reserve Fund designated as the “Series 2021 Reserve Account.” Proceeds of the Series 2021 Bonds shall be deposited into the Series 2021 Reserve Account in the amount set forth in Section 2.06 of this First Supplemental Indenture, and such moneys, together with any other moneys deposited into the Series 2021 Reserve Account shall be applied for the purposes provided therein and in this Section 4.01(f) of this First Supplemental Indenture.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2021 Reserve Account and prior to the Completion Date, transfer any excess therein above the applicable Reserve Requirement for the Series 2021 Bonds caused by investment earnings to the Series 2021 Acquisition and Construction Account prior to the Completion Date, and after the Completion Date, to the Series 2021 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2021 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2021 Bonds to the Series 2021 General Redemption Subaccount of the Series 2021 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2021 Special Assessments and applied to redeem a portion of the Series 2021 Bonds is less than the principal amount of Series 2021 Bonds indebtedness attributable to such lands.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer receives notice from the District Manager that a Phase 1 Developer wishes to prepay its Series 2021 Special Assessments relating to the benefited property of such Phase 1 Developer, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager, on behalf of the Issuer to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2021 Prepayment Principal due by the amount of money in the Series 2021 Reserve Account that will be in excess of the then Reserve Requirement, taking into account the proposed Prepayment. Such excess shall be transferred to the Series 2021 Prepayment Subaccount of the Series 2021 Bond Redemption Account, as a result of such Prepayment. The District

Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the Phase 1 Developer from the Series 2021 Reserve Account to the Series 2021 Prepayment Subaccount of the Series 2021 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2021 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Upon satisfaction of the Release Conditions, the Trustee shall transfer the excess moneys in the Series 2021 Reserve Account as a result into the Series 2021 Acquisition and Construction Account.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the “Series 2021 Bond Redemption Account” and within such Account, a “Series 2021 General Redemption Subaccount,” a “Series 2021 Optional Redemption Subaccount,” and a “Series 2021 Prepayment Subaccount.” Except as otherwise provided in this First Supplemental Indenture regarding Prepayments or in connection with the optional redemption of the Series 2021 Bonds, moneys to be deposited into the Series 2021 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2021 General Redemption Subaccount of the Series 2021 Bond Redemption Account.

(h) Moneys that are deposited into the Series 2021 General Redemption Subaccount of the Series 2021 Bond Redemption Account (including all earnings on investments held therein) shall be used to call Series 2021 Bonds for the extraordinary mandatory redemption in whole, pursuant to Section 3.01(b)(ii) hereof or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2021 Prepayment Subaccount of the Series 2021 Bond Redemption Account (including all earnings on investments held in such Series 2021 Prepayment Subaccount of the Series 2021 Bond Redemption Account) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2021 Bonds equal to the amount of money transferred to the Series 2021 Prepayment Subaccount of the Series 2021 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof.

(j) The Issuer hereby directs the Trustee to establish a Series 2021 Rebate Fund designated as the “Series 2021 Rebate Fund.” Moneys shall be deposited into the Series 2021 Rebate Fund, as provided in the Arbitrage Certificate and applied for the purposes provided therein.

(k) Moneys on deposit in the Series 2021 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2021 Bonds pursuant to Section 3.01(a) hereof.

**SECTION 4.02.** Series 2021 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2021 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each November 1 commencing November 1, 2021, to the Series 2021 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2021 Bonds becoming

due on the next succeeding November 1, less any amounts on deposit in the Series 2021 Capitalized Interest Account or the Series 2021 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each May 1 commencing May 1, 2022, to the Series 2021 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2021 Bonds becoming due on the next succeeding May 1, less any amounts on deposit in the Series 2021 Capitalized Interest Account or the Series 2021 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each May 1, commencing May 1, 2023, to the Series 2021 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2021 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2021 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding the May 1, which is the principal payment date for any Series 2021 Bonds, to the Series 2021 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2021 Bonds Outstanding maturing on such May 1, less any amounts on deposit in the Series 2021 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2021 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2021 Interest Account, the amount necessary to pay interest on the Series 2021 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2021 Bonds remain Outstanding, to the Series 2021 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the applicable Reserve Requirement for the Series 2021 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2021 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2021 Bonds and next, any balance in the Series 2021 Revenue Account shall remain on deposit in such Series 2021 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2021 Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

Notwithstanding that the Issuer has funded the Series 2021 Capitalized Interest Account to pay interest on the Series 2021 Bonds through at least May 1, 2022, moneys on deposit in the Series 2021 Capitalized Interest Account, including all investment earnings thereon, shall remain on deposit in such Account and be used by the Trustee to pay interest on the Series 2021 Bonds on any subsequent Interest Payment Date if moneys remain after May 1, 2022. When such Account has been depleted of all funds, the Trustee shall be authorized to close such Account.

**SECTION 4.03.** Power to Issue Series 2021 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2021 Bonds, to execute and deliver the Indenture and to pledge the Series 2021 Pledged Revenues for the benefit of the Series 2021 Bonds to the extent set forth herein. The Series 2021 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2021 Bonds, except the lien created by the Series 2021-2 Special Assessments and as otherwise permitted under the Master Indenture. The Series 2021 Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights of the Owners of the Series 2021 Bonds under the Indenture against all claims and demands of all persons whomsoever.

**SECTION 4.04.** Assessment Area One Project to Conform to Consulting Engineers Report. Upon the issuance of the Series 2021 Bonds, the Issuer will promptly proceed to construct or acquire the Assessment Area One Project, as described in Exhibit A hereto and in the Consulting Engineer's Report relating thereto.

**SECTION 4.05.** Prepayments; Removal of Series 2021 Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2021 Special Assessments may, at its option, or as a result of acceleration of the Series 2021 Special Assessments because of non-payment thereof or as a result of true-up payment, shall require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2021 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2021 Special Assessment, which shall constitute Series 2021 Prepayment Principal, plus accrued interest to the next succeeding Interest Payment Date (or the second succeeding Interest Payment Date if such Prepayment is made within forty-five (45) calendar days before an Interest Payment Date), attributable to the property subject to Series 2021 Special Assessment owned by such owner. In the event the amount in the Series 2021 Reserve Account will exceed the Debt Service Reserve Requirement for the Series 2021 Bonds as a result of a Prepayment in accordance with this Section 4.05(a), the excess amount shall be transferred from the Series 2021 Reserve Account to the Series 2021 Prepayment Subaccount of the Series 2021 Bond Redemption Account as a credit against the Series 2021 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel. As a condition of providing such credit, the District Manager, on behalf of the Issuer, shall provide written instructions to the Trustee, together with a certification stating that, after giving effect to such transfer sufficient moneys will be on deposit in the Series 2021 Reserve Account to equal or exceed the Debt Service Reserve Requirement for the Series 2021 Bonds.

(b) Upon receipt of Series 2021 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the Issuer that the Series 2021 Special Assessment has been paid in whole or in part and that such Series 2021 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Prepayments. The Trustee shall calculate the amount available for the extraordinary mandatory

redemption of the Series 2021 Bonds pursuant to Section 3.01(b)(i) hereof forty-five (45) days prior to each Quarterly Redemption Date and will withdraw money from the Series 2021 Reserve Account as a credit against the total amount of Prepayment that is otherwise owed in an amount as directed by the District.

[END OF ARTICLE IV]

**ARTICLE V**  
**COVENANTS AND DESIGNATIONS OF THE ISSUER**

**SECTION 5.01.** Collection of Series 2021 Special Assessments. Pursuant to the terms and provisions of the Master Indenture, the Issuer shall collect the Series 2021 Special Assessments relating to the acquisition and construction of Assessment Area One Project through the Uniform Method of Collection (the “Uniform Method”) afforded by Chapter 197, Florida Statutes. Pursuant to the terms and provisions of the Master Indenture, the Issuer shall, pursuant to the provisions of the Assessment Resolutions, directly collect the Series 2021 Special Assessments levied in lieu of the Uniform Method with respect to any assessable lands which have not yet been platted, or for platted lots that are owned by Phase 1 Developer, unless the Trustee at the direction of the Majority Holders directs the Issuer otherwise or the timing for using the Uniform Method will not yet allow for using such method. In addition, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the Issuer covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2021 Special Assessments, and to levy the Series 2021 Special Assessments in such manner as will generate funds sufficient to pay debt service on the Series 2021 Bonds when due. All Series 2021 Special Assessments that are collected directly by the Issuer shall be due and payable by the Phase 1 Developer not later than thirty (30) days prior to each Interest Payment Date.

**SECTION 5.02.** Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the Issuer has executed and delivered a Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The Issuer covenants and agrees to comply with the provisions of such Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

**SECTION 5.03.** Investment of Accounts and Subaccounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Series 2021 Accounts and subaccounts therein created hereunder.

**SECTION 5.04.** Additional Obligations. Other than in connection with the issuance of refunding bonds to be secured by the Series 2021 Special Assessments, the Issuer covenants not to issue any Bonds or other debt obligations secured by the Series 2021 Special Assessments. In addition, the Issuer shall not issue any other Bonds or debt obligations secured by other Special Assessments on the same lands secured by the Series 2021 Special Assessments until the Series 2021 Special Assessments have been Substantially Absorbed. Once the Series 2021 Special Assessments have been Substantially Absorbed, the Issuer may issue Bonds or other debt obligations on assessable lands within Assessment Area One that are subject to the Series 2021 Special Assessments without limit as to the principal amount. Nothing herein shall prohibit the District from issuing additional Bonds or other debt obligations on lands that do not contain Series 2021 Special Assessments. Notwithstanding any of the foregoing, the Issuer shall not be precluded from issuing additional Bonds or other debt obligations secured by Special Assessments or other non-ad valorem assessments on any assessable lands within Assessment Area One in connection with capital projects that are necessary for the health, safety and welfare of its residents or to remediate a natural disaster. The Trustee may rely on a written certificate from the District

Manager that the Series 2021 Special Assessments have been Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the Issuer may issue other Bonds or debt obligations secured by Special Assessments on lands within Assessment Area One other than the Series 2021 Special Assessments, at any time upon the written consent of the Majority Holders.

**SECTION 5.05.** Requisite Owners for Direction or Consent. Anything in the Master Indenture to the contrary notwithstanding, any direction or consent or similar provision which requires more than fifty percent (50%) of the Owners, shall in each case be deemed to refer to, and shall mean, the Majority Holders.

**SECTION 5.06.** Acknowledgement Regarding Series 2021 Acquisition and Construction Account Moneys Following an Event of Default. In accordance with the provisions of the Indenture, upon the occurrence of an Event of Default with respect to the Series 2021 Bonds, the Series 2021 Bonds are payable solely from the Series 2021 Pledged Revenues and any other moneys held by the Trustee under the Indenture for such purpose. **LAKWOOD PARK COMMUNITY DEVELOPMENT DISTRICT  
SUPPLEMENTAL ENGINEER'S REPORT**

**1. INTRODUCTION**

The purpose of this report is to provide a description of the District's "Assessment Area One Project," which is the first part of the District's overall capital improvement plan ("CIP") described in the *Master Engineer's Report*, dated October 28, 2020 ("Master Engineer's Report"). The Master Engineer's Report is incorporated herein, and any capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Master Report.

**2. ASSESSMENT AREA ONE PROJECT**

As noted in the Master Engineer's Report, the District's overall CIP is intended to provide public infrastructure improvements for the lands within the District, which are planned for 434 residential units, and for development in 3 phases. Phase 1 consists 187 residential homes, as shown in Table 1 below:

**Table 1 – Product Type**

Product Type	Phase 1 Units	Phase 2 Units	Phase 3 Units	Units All Phases
40' x 120'	71	35	54	160
50' x 120'	116	89	56	261
65' x 120'	0	0	13	13
<b>Totals</b>	<b>187</b>	<b>124</b>	<b>123</b>	<b>434</b>

The approved site plan showing all Phases is attached hereto as Exhibit A-1.

Assessment Area One is part of the overall CIP and includes all of the improvements that are necessary for the development of the first 187 units (i.e., Phase 1). Such infrastructure will consist of: Stormwater Management, Utilities, and Shared Offsite Improvements.

Some of Phase 1 is already under construction. The Phase 1 stormwater management system, water, and sewer systems are currently under construction. In addition, the off-site improvements (along Martin Luther King Boulevard) are in permitting and nearing approval. Phase 1 is currently being platted through the City of Deland with the plat to be approved and recorded in May or June 2021. The District's Phase 1, as part of the overall CIP, will function as a system of improvements benefitting all lands within the District. All of the foregoing Phase 1 Project improvements are required by applicable development approvals. Note that there are no impact fee or similar credits available from the construction of any of the phase 1 improvements.

**3. OPINION OF PROBABLE CONSTRUCTION COSTS**

Table 2 below presents the total cost of the District's Assessment Area One, and it is our professional opinion that the costs set forth in Table 2 are reasonable and consistent with market pricing.

**Table 2- Proposed Improvement Costs**

<b>Improvement</b>	<b>Assessment Area One</b>

## 5. CONCLUSIONS

Assessment Area One has been designed in accordance with current governmental regulations and requirements. It will serve its intended function so long as the construction is in substantial compliance with the design.

The cost estimates provided are reasonable to complete the required Assessment Area One improvements and it is our professional opinion that the public infrastructure improvements comprising this area will serve as a system of improvements that benefit and add value to all lands within the District. The cost estimates are based on prices currently being experienced in the Central Florida area. Actual costs may vary depending on final engineering and approvals from regulatory agencies. It is further our opinion that the improvement plan is feasible, that there are no technical reasons existing at this time that would prevent the implementation of Assessment Area One, and that it is reasonable to assume that all necessary regulatory approvals will be obtained in due course.

In sum, it is our opinion that: (1) the estimated cost of the public infrastructure set forth herein to be paid by the District is not greater than the lesser of the actual cost or fair market value of such infrastructure; (2) that Assessment Area One is feasible; and (3) that the assessable property for The Lakewood Park CDD will receive a special benefit from Phase 1 that is at least equal to such costs.

Please note that Assessment Area One as presented herein is based on current plans and market conditions which are subject to change. Accordingly, Phase 1, as used herein, refers to sufficient public infrastructure of the kinds described herein (i.e., stormwater/floodplain management, sanitary sewer, potable water, etc.) to support the development and sale of the planned residential units in Phase 1 of the District, which (subject to true-up determinations) number and type of units may be changed with the development of the site. Stated differently, during development and implementation of the public infrastructure improvements as described herein, it may be necessary to make modifications and/or deviations for the plans, and the District expressly reserves the right to do so.

## **1.0 Introduction**

### **1.1 Purpose**

This Preliminary First Supplemental Special Assessment Methodology Report (the "First Supplemental Report") was developed to supplement the Master Special Assessment Methodology Report (the "Master Report") dated October 28, 2020 and to provide a supplemental financing plan and a supplemental special assessment methodology for the Phase 1 of development consisting of 187 residential dwelling units ("Assessment Area One") of the Lakewood Park Community Development District (the "District") located within the municipal boundaries of the City of Deland, Volusia County, Florida. This First Supplemental Report was developed in relation to funding by the District of a portion of the costs of public infrastructure improvements (the "Capital Improvement Plan") contemplated to be provided by the District for Assessment Area One ("Assessment Area One Project").

### **1.2 Scope of the First Supplemental Report**

This First Supplemental Report presents the projections for financing a portion of the Assessment Area One Project described in the Supplemental Engineer's Report for the Lakewood Park Community Development District prepared by Madden Moorhead & Stokes, LLC Civil Engineers (the "District Engineer") dated February 16, 2021 (the "Supplemental Engineer's Report"), as well as describes the method for the allocation of special benefits and the apportionment of special assessment debt resulting from the provision and partial funding of the Assessment Area One Project.

### **1.3 Special Benefits and General Benefits**

Improvements undertaken and funded in part by the District as part of the Assessment Area One Project create special and peculiar benefits for properties within Assessment Area One and general benefits to the public at large. However, as discussed within this First Supplemental Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits which accrue to property within Assessment Area One. The District's Assessment Area One Project enables properties within the boundaries of Assessment Area One to be developed.

There is no doubt that the general public and property owners of property outside of Assessment Area One will benefit from the provision of the Assessment Area One Project. However, these

benefits are only incidental since the Assessment Area One Project is designed solely to provide special benefits peculiar to property within Assessment Area One. Properties outside of Assessment Area One are not directly served by the Assessment Area One Project and do not depend upon the Assessment Area One Project to obtain or to maintain their development entitlements. This fact alone clearly distinguishes the special benefits which properties located within Assessment Area One receive compared to those lying outside of its boundaries.

The Assessment Area One Project will provide public infrastructure improvements which are all necessary in order to make the lands within Assessment Area One developable and saleable. The installation of such improvements will cause the value of the developable and saleable lands within Assessment Area One to increase by more than the sum of the financed cost of the individual components of the Assessment Area One Project. Even though the exact value of the benefits provided by the Assessment Area One Project is hard to estimate at this point, it is nevertheless greater than the costs associated with providing the same.

#### **1.4 Organization of the First Supplemental Report**

*Section Two* describes the development program as proposed by the Developer, as defined below.

*Section Three* provides a summary of the Assessment Area One Project as determined by the District Engineer.

*Section Four* discusses the supplemental financing program for the District.

*Section Five* discusses the supplemental special assessment methodology for Assessment Area One.

### **2.0 Development Program**

#### **2.1 Overview**

The District serves the Lakewood Park development, a master planned residential development located in City of Deland. The land within the District consists of approximately 197.01 +/- acres and is generally located south of SR 44, west of north Summit Avenue, and east of Martin Luther King Boulevard.

## **2.2 The Development Program**

The development of Lakewood Park is anticipated to be conducted by Lakewood Park Project I, LLC (the "Developer"). Based upon the information provided by the Developer and the District Engineer, the current development plan envisions a total of 434 residential dwelling units developed in three (3) phases, with the Phase 1 of development conducted within Assessment Area One consisting of 187 residential dwelling units and Phases 2 and 3 conducted within "Future Assessment Area(s)" consisting of with 124 and 123 (for a total of 247) residential dwelling units respectively, although land use types and unit numbers may change throughout the development period. Table 1 in the *Appendix* illustrates the development plan for Lakewood Park.

## **3.0 The Capital Improvement Plan**

### **3.1 Overview**

The public infrastructure costs to be funded by the District are described by the District Engineer in the Engineer's Report. Only public infrastructure that may qualify for bond financing by the District under Chapter 190, Florida Statutes and under the Internal Revenue Code of 1986, as amended, was included in these estimates.

### **3.2 Capital Improvement Plan**

The Capital Improvement Plan needed to serve the District is projected to consist of improvements which will serve all of the lands in the District. The Capital Improvement Plan will include but not be limited to storm water management, potable water, reclaimed water, sanitary sewer, roadways, signage, street lighting, parks, landscaping, hardscaping, and irrigation. At the time of this writing, the total cost of the Capital Improvement Plan is estimated to total approximately \$10,670,087 as illustrated in Table 2 in the *Appendix*.

Even though all of the infrastructure included in the Capital Improvement Plan will comprise an interrelated system of improvements, which means that all of the improvements will serve the entire District and all improvements will be interrelated such that they will reinforce one another, according to the Supplemental Engineer's Report, the public infrastructure improvements are projected to be constructed in two (2) or more infrastructure

construction phases or projects coinciding with the three (3) phases of land development. The Assessment Area One Project consists of that portion of the overall Capital Improvement Plan that is necessary for the development of land within Assessment Area One, while the "Future Assessment Area(s) Project" is that portion of the overall Capital Improvement Plan that is necessary for the development of land within Future Assessment Area(s).

The sum of all public infrastructure improvements illustrated in Table 2 will comprise an interrelated system of improvements, which means all of the improvements comprising the overall Capital Improvement Plan, once constructed, will serve the entire District, and improvements will be interrelated such that they will reinforce one another. At the time of this writing, the total costs of the public infrastructure improvements are estimated at \$10,670,087, with the costs of the Assessment Area One Project estimated at \$6,447,854.75, as illustrated in Table 3 in the *Appendix*, which lists the specific components of the public infrastructure improvements and their costs.

## **4.0 Financing Program**

### **4.1 Overview**

As noted above, the District is embarking on a program of capital improvements which will facilitate the development of lands within the District. Generally, construction of public improvements is either funded by the Developer and then acquired by the District or funded directly by the District. As of the time of writing of this Report, the District will most likely acquire completed improvements from the Developer, although the District maintains the complete flexibility to either acquire the public infrastructure from the Developer or construct it, or even partly acquire it and partly construct it.

The District intends to issue Special Assessment Bonds, Series 2021 in the principal amount estimated at \$3,170,000\* (the "Bonds") to fund an estimated \$2,688,170\* of the total cost necessary to complete the Assessment Area One Project, with the balance of the Assessment Area One Project costs anticipated to be financed by the Developer and/or the proceeds of future bonds.

---

\* Preliminary, subject to change

## **4.2 Types of Bonds Proposed**

This first supplemental financing plan for the District provides for the issuance of the Bonds in the total principal amount estimated at \$3,170,000\* to finance a portion of the Assessment Area One Project costs in the total amount estimated at \$2,688,170\*. The Bonds as projected under this first supplemental financing plan are projected to be structured to be amortized in 30 annual installments following an approximately 12-month capitalized interest period, with interest payments projected to be made every May 1 and November 1, and annual principal projected to be made every May 1.

In order to finance a portion of the Assessment Area One Project, the District needs to borrow more funds and incur indebtedness in the total amount estimated at \$3,170,000\*. The difference is comprised of original issue discount, debt service reserve, capitalized interest, and costs of issuance, including the underwriter's discount. The preliminary sources and uses of funding for the Bonds are presented in Table 4 in the *Appendix*.

## **5.0 Assessment Methodology**

### **5.1 Overview**

The issuance of the Bonds will provide the District with a portion of the funds necessary to construct/acquire the infrastructure improvements which are part of the Assessment Area One Project outlined in *Section 3.2* and described in more detail by the District Engineer in the Supplemental Engineer's Report. These improvements lead to special and general benefits, with special benefits accruing to the assessable properties within the boundaries of Assessment Area One and general benefits accruing to areas outside Assessment Area One but being only incidental in nature. The debt incurred in financing the public infrastructure will be secured by assessing properties that derive special and peculiar benefits from the Assessment Area One Project. All properties that receive special benefits from the Assessment Area One Project will be assessed for their fair share of the debt issued in order to finance all or a portion of the Assessment Area One Project.

---

\* Preliminary, subject to change

## **5.2 Benefit Allocation**

The current development plan for envisions the development of 187 residential dwelling units within Assessment Area One and 247 residential dwelling units within Future Assessment Area(s), although land use types and unit numbers may change throughout the development period.

The infrastructure improvements that comprise the Capital Improvement Plan will serve and provide benefit to all land uses in the District and will comprise an interrelated system of improvements, which means all of improvements will serve the entire District and improvements will be interrelated such that they will reinforce one another. By allowing for the land in the District to be developable, both the improvements that comprise the Capital Improvement Plan and their combined benefit will be greater than the sum of their individual benefits. All of the unit types within the District will benefit from each infrastructure improvement category, as the improvements provide basic infrastructure to all unit types and all phases within the District and benefit all unit types in all phases within the District as an integrated system of improvements.

Even though all of the infrastructure included in the Capital Improvement Plan will comprise an interrelated system of master improvements, the public infrastructure improvements are projected to be constructed in two (2) or more infrastructure construction phases or projects coinciding with the three (3) phases of land development. The Assessment Area One Project, consists of that portion of the overall Capital Improvement Plan that is necessary for the development of land within Assessment Area One conducted during the Phase 1 of development, while the Future Assessment Area(s) Project represents/represent that/those portion(s) of the overall Capital Improvement Plan that is/are necessary for the development of land within the remaining Phases 2 and 3.

As stated previously, the public infrastructure improvements included in the Capital Improvement Plan have a logical connection to the special and peculiar benefits received by the land within the District, as without such improvements, the development of the properties within the District would not be possible. Based upon the connection between the improvements and the special and peculiar benefits to the land within the District, the District can assign or allocate a portion of the District's debt through the imposition of non-ad valorem assessments, to the land receiving such special and peculiar benefits. Even though these special and

peculiar benefits are real and ascertainable, the precise amount of the benefit cannot yet be calculated with mathematical certainty. However, such benefit is more valuable than the assessment related to the financed cost of constructing the improvements.

In following the Master Report, this First Supplemental Report proposes to allocate the benefit associated with the Capital Improvement Plan to the different unit types proposed to be developed within the District in proportion to their density of development and intensity of use of infrastructure as measured by a standard unit called an Equivalent Residential Unit ("ERU"). Table 5 in the *Appendix* illustrates the ERU weights that are proposed to be assigned to the unit types contemplated to be developed within the District based on the densities of development and the intensities of use of infrastructure, total ERU counts for each unit type, and the share of the benefit received by each unit type.

The rationale behind the different ERU values is supported by the fact that generally and on average units with smaller lot sizes will use and benefit from the improvements which are part of the Capital Improvement Plan less than units with larger lot sizes, as, for instance, generally and on average units with smaller lot sizes will produce less storm water runoff, may produce fewer vehicular trips, and may need less water/sewer capacity than units with larger lot sizes. Additionally, the value of the units with larger lot sizes is likely to appreciate by more in terms of dollars than that of the units with smaller lot sizes as a result of the implementation of the infrastructure improvements. As the exact amount of the benefit and appreciation is not possible to be calculated at this time, the use of ERU measures serves as a reasonable approximation of the relative amount of benefit received by representatives of different unit types from the District's Capital Improvement Program.

Based on the ERU benefit allocation illustrated in Table 5, Table 6 in the *Appendix* illustrates the allocation of the costs of the Capital Improvement Plan to Assessment Area One and to Future Assessment Area(s), with the total amount of Capital Improvement Plan costs allocated to Assessment Area One equal to \$4,542,476.06 and the total amount of Capital Improvement Plan costs allocated to Future Assessment Area(s) equal to \$6,127,610.94. In order to facilitate the marketing of the residential units within Assessment Area One, the Developer requested that the District limit the amount of the assessments associated with repayment of the Bonds (the "Bond Assessments") to certain predetermined levels. Table 7 in the *Appendix* presents the

allocation of the amount of Capital Improvement Plan costs allocated to Assessment Area One to the various unit types proposed to be developed within Assessment Area One based on the ERU benefit allocation factors present in Table 5. Further, Table 7 illustrates the approximate costs that are projected to be financed with proceeds of the Bonds, and the approximate costs of the portion of the Assessment Area One Project costs allocable to Assessment Area One to be funded by the Developer. With the Bonds funding an estimated \$2,688,170\* in costs of the Assessment Area One Project, the Developer is anticipated to fund improvements valued at an estimated \$1,854,306.06\* which will not be funded with proceeds of the Bonds. Finally, Table 8 in the *Appendix* present the apportionment of the Bond Assessments and also present the annual levels of the projected annual debt service assessments per unit.

### **5.3 Assigning Debt**

As the land in the District has not yet been platted for its intended final use and the exact identification of the physical location of the future assessable parcels is not possible, the Bond Assessments will initially be levied on all of the gross acres of land in the District on a pro-rata gross acre basis. Consequently, the Bond Assessments will be preliminarily levied on approximately 197.01 +/- gross acres at a rate of \$16,090.55\* per acre.

As the land is platted, the Bond Assessments will be allocated to each platted parcel on a first platted-first assigned basis based on the planned use for that platted parcel as reflected in Table 8 in the *Appendix*. Such allocation of Bond Assessments to platted parcels will reduce the amount of Bond Assessments levied on unplatted gross acres within the District.

In the event unplatted land is sold to another developer or builder, the Bonds Assessments will be assigned to such parcel at the time of the sale based upon the development rights associated with such parcel that are transferred from seller to buyer. The District shall provide an estoppel or similar document to the buyer evidencing the amount of Bond Assessments transferred at sale.

### **5.4 Lienability Test: Special and Peculiar Benefit to the Property**

As first discussed in *Section 1.3*, Special Benefits and General Benefits, improvements undertaken by the District create special

---

\* Preliminary, subject to change

and peculiar benefits to the assessable properties within the District. The District's improvements benefit assessable properties within the District and accrue to all such assessable properties on an ERU basis.

Improvements undertaken by the District can be shown to be creating special and peculiar benefits to the assessable property within the District. The special and peculiar benefits resulting from each improvement include, but are not limited to:

- a. added use of the property;
- b. added enjoyment of the property;
- c. decreased insurance premiums;
- d. increased marketability and value of the property.

The improvements which are part of the Capital Improvement Plan make the assessable land in the District developable and saleable and when implemented jointly as parts of the Capital Improvement Plan, provide special and peculiar benefits which are greater than the benefits of any single category of improvements. These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value; however, such benefits are more valuable than either the cost of, or the actual assessment levied for, the improvement or debt allocated to the parcel of land.

#### **5.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay**

A reasonable estimate of the proportion of special and peculiar benefits received from the improvements is delineated in Table 5 (expressed as ERU factors) of the *Appendix*.

The apportionment of the assessments is fair and reasonable because it was conducted on the basis of consistent application of the methodology described in *Section 5.2* across all assessable property within the District according to reasonable estimates of the special and peculiar benefits derived from the Capital Improvement Plan by different unit types.

Accordingly, no acre or parcel of property within the District will be lienied for the payment of any non-ad valorem special assessment more than the determined special benefit peculiar to that property.

## 5.6 True-Up Mechanism

The Assessment Methodology described herein is based on conceptual information obtained from the Developer prior to construction. As development occurs it is possible that the number of and unit types of residential units being developed changes. The mechanism for maintaining the methodology over the changes is referred to as true-up.

This mechanism is to be utilized to ensure that the Bond Assessments on a per unit basis within Assessment Area One never exceed the initially allocated Bond Assessments as contemplated in the adopted methodology. Bond Assessments per unit preliminarily equal the levels in Table 8 in the *Appendix* and may change based on the final bond sizing. If such changes occur, the methodology is applied to the land based on the number of units within each unit type within each and every parcel.

As the land in Assessment Area One is platted, the Bond Assessments are assigned to platted parcels based on the figures in Table 8 in the *Appendix*. If as a result of platting and apportionment of the Bond Assessments to the platted parcels, the Bond Assessments per unit remain equal to the figures in Table 8, then no true-up adjustment will be necessary.

If as a result of platting and apportionment of the Bond Assessments to the platted parcels, the Bond Assessments per unit equal less than the figures in Table 8 (for instance as a result of a larger number of units), then the per unit Bond Assessments for all parcels within Assessment Area One will be lowered if that state persists at the conclusion of platting of all land within Assessment Area One.

If, in contrast, as a result of platting and apportionment of the Bond Assessments to the platted parcels, the Bond Assessments per unit equal more than the figures in Table 8 (for instance as a result of a smaller number of units), taking into account any future development plans for the same lands – in the District's sole discretion and to the extent such future redevelopment plans are feasible, consistent with existing entitlements and governmental requirements, and reasonably expected to be implemented, then the difference in Bond Assessments plus accrued interest will be collected pursuant to the True Up Agreement from the Developer or property owner which platting caused the increase of assessment per unit to occur, in accordance with the assessment resolution and a true-up agreement to be entered into between the District and the

Developer, which will be binding on successors and assigns as provided therein.

The owner(s) of the property will be required to immediately remit to the Trustee for redemption a true-up payment equal to the difference between the actual Bond Assessments per unit and the Bond Assessments figures in Table 8, multiplied by the actual number of units plus accrued interest to the next succeeding interest payment date on the Bonds, unless such interest payment date occurs within 45 days of such true-up payment, in which case the accrued interest shall be paid to the following interest payment date (or such other time as set forth in the supplemental indenture for the applicable series of Bonds secured by the Bond Assessments).

Note that, in the event that the Assessment Area One Project is not completed, certain infrastructure contributions are not made, multiple bond issuances are contemplated and not all are issued, or under certain other circumstances, the District may be required to reallocate the Bond Assessments.

In addition to platting of property within the District, any planned sale of an unplatted land to another builder or developer will cause the District to initiate a true-up test as described above to test whether the amount of the Bond Assessments for land that remains unplatted does not exceed the levels in Table 8. The test will be based upon the development rights as signified by the number of and types of units associated with such parcel that are transferred from seller to buyer. The District shall provide an estoppel or similar document to the buyer evidencing the amount of Bond Assessments transferred at sale.

## **5.7 Preliminary Assessment Roll**

The Assessments of \$3,170,000\* is proposed to be levied over the area described in Exhibit "A". Excluding any capitalized interest period, debt service assessments shall be paid in thirty (30) annual principal installments.
